Communication Association American Forensic Association Conference on Argumentation This biennial conference brings together a lively group of argumentation scholars from a range of disciplinary approaches and a variety of countries *Disturbing Argument* contains selected works that speak both to the disturbing prevalence of violence in the contemporary world and to the potential of argument itself to disturb the very relations of power that enable that violence Scholars essays analyze a range of argument forms including body and visual argument interpersonal and group argument argument in electoral politics public argument argument in social protest scientific and technical argument and argument and debate pedagogy Contributors study argument using a range of methodological approaches from social scientifically informed studies of interpersonal group and political argument to humanistic examinations of argument theory political discourse and social protest to creatively informed considerations of argument practices that truly disturb the boundaries of what we consider argument      **The Route And The Ruse - some paddle thoughts** Eric Lovald,2014-02-15 Thinking and writing in

a form of brief explorations we might take another look at habitually recited subjects from a different perspective of inquiry Our collective human experience learns to combine insights of traditional wisdom with accurate observations on the moving present Such is the intuitive work of re balancing a personal outlook as well as an economy Instead of insisting that knowledge be limited to any single belief system as the only relevant method of reasoning one can develop appreciation for other ways of knowing A better understanding of intrinsic strengths and sensitivities contributed by various cultures will open paths to achieving creative potential

**Critical Essays on Chaucer's Troilus and Criseyde and His Major Early Poems** C. David Benson, 1991 An anthology of 19 essays spanning the 20th century take a variety of approaches to Troilus and Criseyde and three early poems considering the whole pieces particular themes and the literary and historical context No index Annotation copyrighted by Book News Inc Portland OR

**The Tiger Woods Phenomenon** Donna J. Barbie, 2014-01-10 The essays in this book arise from the premise that Tiger Woods is not simply a phenomenal player but is also an Everyman who has displayed all too human foibles and weaknesses The first half of the collection focuses on Tiger's superman game and how he has affected and been affected by the golfing world Works on the sport that examine this supreme golfer cannot capture the full significance of the Tiger Woods phenomenon however Unlike many other talented athletes Woods has transcended his sport becoming a cultural icon In the second half of the book scholars examine everyman Tiger illustrating how his life reflects significant and often contentious issues within American culture and the world

*Philosophy History Sophistry* Dennis Rohatyn, 2022-04-25 Post modernism believes in nothing not even unbelief Hence it is a genial version of nihilism and the flip side of despair Like skepticism from which it descends it is healthy insofar as it rejects all dogmas but unhealthy insofar as it substitutes its own while eating its own essence This book diagnoses this disease and offers irony as its cure What failure of nerve did to Hellenism strength of character must do for the decline of the best Humor laughter and detachment are the gifts of historical art and of Socratic science As we take refuge in the myth of truth we must realize that there is no truth in myth and no comfort in illusion except the lie of immortality

*Fictional Realities/real Fictions* Mateusz Borowski, Małgorzata Sugiera, 2007 The collection of essays *Fictional Realities Real Fictions* Contemporary Theatre in Search of a New Mimetic Paradigm tackles the problem of fictionality and reality in contemporary theatre practice and playwriting It approaches this hotly debated issue in a larger context of the theories of theatrical and dramatic mimesis The volume provides an answer to the most recent developments in performative arts such as the widespread use of new media technologies the popularity of site specific productions and the flourishing of various post dramatic forms of expression The phenomena scrutinized in this collection call into question the basic dichotomy between the fictional and the real on which the theory and practice of the Western theatre has been based right from its inception However due to their extremely heterogeneous character they pose a considerable problem for researchers and teachers who still do not find a widely applicable methodology for the analysis of contemporary performances and texts for the theatre

Fictional Realities Real Fictions sets the discussion of the onset of new mimetic paradigm in three interrelated contexts the new perceptual patterns forged by contemporary theatre the use of media on stage and the strategies of today TM s political theatre The case studies presented here in spite of their thematic diversity are subordinated to a single theoretical framework Thus they turn out extremely useful both for the scholars investigating the problems of contemporary theatre and students of theatre and drama Fictional Realities Real Fictions offers them a rigid methodological scaffolding supported by a number of illustrative examples from a variety of cultural context and theatre traditions which gives them an opportunity to extrapolate from the main argument of the volume to their own research
