Essentials of Negotiation Roy J. Lewicki, David M. Saunders, Bruce Barry, Kevin Tasa, 2020 **Collective Bargaining Preparation Essentials (revised)** Hugh J. Finlayson, 2024-01-09 We are all negotiators and while we may negotiate in many forums and have a variety of negotiating experiences we don't bargain collectively all the time. Unleash the power of negotiation with *Collective Bargaining Preparation Essentials* revised, your ultimate guide to mastering the art and science of collective bargaining preparation. In a world where negotiation is ever present from personal relationships to professional endeavors, this resource focuses on the unique challenges posed by the negotiation or renegotiation of employees' terms and conditions of employment. This handbook isn't just a guide; it's a strategic ally. With a sharp focus on preparing for and engaging constructively in collective bargaining, it offers insights into the intricate dynamics between unions and employers. Packed with preparation guidelines, proven strategies, and alternative approaches, it empowers negotiators to shape agreements that codify the terms both parties can endorse. Whether you're a seasoned negotiator or a newcomer to the collective bargaining arena, *Collective Bargaining Preparation Essentials* revised equips you with the tools to refine your approach to bargaining preparation, adapt to diverse scenarios, and achieve successful outcomes that foster constructive relationships and secure mutually beneficial agreements. *Collective Bargaining Preparation Essentials* Hugh J. Finlayson, 2020-09-30 Something is essential if it is of the utmost importance, basic, indispensable, necessary. This book is just that: essential. Negotiation, in simple terms, is the basic means of getting what you want from others. It is back and forth communication designed to reach an agreement when you and the other party have some interests that are shared and others that are opposed. We are all negotiators. Whether you sometimes disagree with a colleague or spouse, buy a car, lead a project or work group, you negotiate and need to know how to do it given the specific circumstance and nature of the interactions. While we may negotiate in many forums and have a variety of negotiating experiences, we don't bargain collectively all the time. *Collective Bargaining Preparation Essentials: The Handbook* is about collective bargaining: the negotiation or renegotiation of employees' terms and conditions of employment and alternatives. What emerges from your planning, negotiation, and implementation efforts is a codification of what the union and the employer agree on to regulate their conduct and dealings over a certain period. All based on the parties' choice of alternatives. *Collective Bargaining Preparation Essentials: The Handbook* is a resource. It will broaden your perspective on your union/employer relationship and your bargaining style and provide preparation guidelines and strategies to successfully negotiate a collective agreement. *Principles of Organizational Behavior* Craig L.
