
English summary of Paljas

A description of the landscape is given: the setting is somewhere in the Karoo. In the middle of this outstretched, lonely area, there is a dirt road (grondpad) and a railway (spoorlyn). Next to the railway there is a railway stop (spoorweghalte), if it can even be called that. The stop consists of a platform (perron), a sink waiting room and office (kantoor), a few trees, some dilapidated (vervalle) barns (skure), a loading dock for animals, a windpump and a railway house with a wide front porch (voorstoop). It's the type of place where trains wouldn't stop.

The farms are big and the nearest farm house is about 5 kilometres away. South of the railway stop is a small town with a few shops (winkel), a koolperrie, a few houses and a massive church (kerk). The church is an important part of the story!

1. It's just after daybreak. There is a steam train underway with its black smoke plume clearly visible against the sky.
