*Twenty Years of Education Transformation in Gauteng 1994 to 2014* Maringe, Felix, Prew, Martin, 2015-05-05 Twenty Years of Education Transformation in Gauteng 1994 to 2014 An Independent Review presents a collection of 15 important essays on different aspects of education in Gauteng since the advent of democracy in 1994 These essays talk to what a provincial education department does and how and why it does these things whether it be about policy resourcing or implementing projects Each essay is written by one or more specialist in the relevant focus area The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader It sheds light on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the book's chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Education's present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years

**Research for Educational Change** Jill Adler, Anna Sfard, 2016-06-17 Research for Educational Change presents ways in which educational research can fulfil its commitments to educational practice Focussing its discussion within the context of mathematics education it argues that while research generated insights can have beneficial effects on learning and teaching the question of how these effects are to be generated and sustained is far from evident The question of how to turn research into educational improvement is discussed here in the context of learning and teaching hindered by poverty and social injustice In the first part of the book four teams of researchers use different methodologies while analysing the same corpus of data collected in a South African mathematics classroom In the second part each of these teams makes a specific proposal about what can be done and how so that its research generated insights have a tangible beneficial impact on what is happening in mathematical classrooms Combining two discourses that of researchers speaking to one another and that of researchers communicating their insights to those responsible for educational practice the book deals with the perennial question of communication between those who study educational processes and those who are directly responsible for teacher education educational research and classroom practices This book will be key reading for postgraduates researchers and academics in education and particularly in the areas of mathematics education education research teacher education and classroom practice It will also appeal to teacher educators practitioners and undergraduate students interested in educational research

**Rural Education Across the World** Simone White, Jayne Downey, 2021-03-22 This book brings together authors from United States South Africa United Kingdom China Canada and Australia to provide insights and case studies from across a range of contexts to explore the interplay between the notions of rurality innovation and education The book reveals a hopeful and resilient approach to innovative rural education and scholarship collectively and provides important evidence to speak against an often deficit view

of rural education Three patterns are revealed namely the importance of place attentive strategies the importance of joined up alliances to maximise resources and networks and finally the need to utilize alternative methodologies and frameworks that have a starting point of difference rather than deficit for any rural initiative or approach By drawing from international examples and responding in innovative ways to rural education challenges this book provides an opportunity to share international insights into innovations interventions and partnerships that promote and support rural education in its broadest sense SADC Gender Protocol 2019 Barometer Morna, Colleen Lowe,Rama, Kubi,2019-08-23 Scoring another goal for gender equality the 2019 Southern African Development Community SADC Gender Protocol Barometer breaks with past tradition in focusing solely on Sexual and Reproductive Health and Rights Measuring 100 indicators across seven themes the Barometer is the first civil society shadow report on SADC s new SRHR Strategy Score Card ranking countries based on their performance while offering detailed analysis and insights into what is changing and still needs to change The no hold barred VoiceandChoice Barometer features the first stand along chapters on Adolescent Sexual and Reproductive Health and Rights Safe Abortion and Sexual Diversity It provides the data that underpins 40 national campaigns led the focal networks of the Southern African Gender Protocol Alliance and 174 local campaigns led by the Centres of Excellence for Gender in Local Government A must read for all those committed to Action and Results for Agenda 2030 in the SADC region
