Handbook of Urban Services Charles K. Coe, 2015-01-28 City and county governments provide a wide array of highly technical urban services. Gaining a rudimentary understanding of them can be a daunting challenge for students as well as new and inexperienced public servants. Handbook of Urban Services is designed to help meet this challenge. In language that will make the fundamentals clear to non specialists, this practical handbook provides concise overviews of 17 core local government services in four functional areas: public Safety and Health Services, Police fire emergency management, emergency medical, animal control, and public health; Public Works and Planning Services, Planning and inspections, water treatment and distribution, wastewater and stormwater management, street maintenance and construction, solid waste collection and disposal, and forestry; Leisure Services, Parks and recreation, and libraries; and Support Services, Public equipment, public buildings, and public facilities. Each chapter begins with a brief history of the service, followed by a discussion of effective management practices and policies. Chapter ending bibliographies refer the reader to sources with more in depth treatment. *Handbook of Urban Services*, **Crime and Intelligence Analysis** Glenn Grana, James Windell, 2016-11-17 Crime and Intelligence Analysis An Integrated Real Time Approach covers everything crime analysts and tactical analysts need to know to be successful. Providing an overview of the criminal justice system as well as the more fundamental areas of crime analysis, the book will enable students and law enforcement personnel to better understand criminal behavior, learn the basics of conducting temporal analysis of crime patterns, use spatial analysis to better understand crime, apply research methods to crime analysis, and more successfully evaluate data and information to help predict criminal offending and solve criminal cases. Criminal justice and police academy students will learn how to be skilled and credible crime analysts who play a critical role in the daily operations of law enforcement. **Police Sergeant's Manual** Blye W. Gocke, George T. Payton, 1972 *ICMA Newsletter* International City Management Association, 1969 **Managing Local Government Services** Carl W. Stenberg, Susan Lipman Austin, 2007 Managing Local Government Services 3rd ed is a comprehensive text on the subject of local government services relevant to local governments of all sizes. This edition is refocused and updated to include the demographic, economic, technology, and cultural trends that affect the management of service delivery. New chapters discuss the shift from government to governance, alternative methods of service delivery, community development, and the five management practices that are fast becoming the standard for professional local government management. Each chapter lays out the manager's responsibilities in each service area and provides effective policies, practices, and procedures. Short case examples give you a practical look at the goals, challenges, and solutions in the manager's world. **Personnel Literature** United States. Office of Personnel Management.
