Intimate Caresses Elizabeth Lennox, 2014-06-13 He d only known her a couple hours but already he wanted her Now if only she wasn t a murder suspect Detective Brock Transom eyed Nina Jansen across her desk In the short span of time since the body of her boss had been found he d picked up a number of interesting insights Some had been freely given from the crime scene techs and medical examiner as expected Others had come knowingly or unintentionally from the man s coworkers including the beautiful brunette in front of him Two things about her were clear she had strong negative feelings about the deceased and she was hiding something His challenge was going to be to separate his investigative instincts from the compelling attraction he felt for this woman Nina felt like she was on a roller coaster In the dark Going backwards Since the day began she had been unexpectedly jerked up down and sideways The big drop from the ride s peak being the revelation that her lecherous creep of a boss had been murdered Now the detective whose presence had so electrified her as the police screened arriving employees was questioning her with more than a casual interest His inquiries about her boss were easy she had detested the man but she certainly hadn t killed him But accounting for her time outside the office could expose activities that she wasn t ready to reveal Now how to remove herself from suspicion when Detective Transom s mere touch made her stomach flutter and her heartbeat race Enjoy Intimate Caresses book two in The Love and Danger Series

The Billionaire's Secret Marriage Elizabeth Lennox, 2015-02-13 Dante Liakos had yet another challenge to overcome in securing his business empire s future but this one was much more

personal in nature the need for a wife and an heir Without them he could lose control of the empire he had worked so hard to rebuild and expand However as he had found so many times before turning a challenge into a success was about recognizing the right opportunity and acting upon it decisively In Jayden Hart he saw such an opportunity enclosed in the rare combination of innocence beauty and brilliance a combination he couldn't resist despite his attempts to remain aloof from the relationship Normally poised and self-assured Jayden's world had taken an alarming turn What initially had seemed like a nuisance was quickly becoming a significant threat to her business her family and her whole way of life And she had no idea how to avoid catastrophe Dante's suggested solution presented a potential lifeline but with what strings attached Would the solution be worse than the crisis that had required it And how was she to avoid falling in love with her secret husband

The Tycoon's Make-Believe Fiancée Elizabeth Lennox, 2014-01-30 It's wonderful to be engaged Or at least it would be if he actually had a fiancé Royston is reunited with his sister at last and she's married and expecting He is thrilled but so caught off guard when she questions him about his love life that he makes up a story about a non-existent fiancé just to protect her gentle heart Now he has to produce a fiancé in a matter of hours when they meet for dinner It had always been Miranda's priority to avoid the CEO of her company Royston Carmichael at all costs He might be sexy rich and powerful but he was also intimidating arrogant and unreasonably demanding Which is why she was unhappy at being caught submitting a monthly financial report at 12:15 when it was due no later than 12pm When Royston finds her in his office submitting a report after the deadline he questions her and is impressed with her financial knowledge not to mention her long legs and enchanting eyes He quickly decides she's just right for the role of fake fiancé She's beautiful smart can think on her feet and she has a spark that captures his attention in all the right ways Will she accept his real proposal to be his faux bride to be and will their act become more than that

His Reluctant Lover Elizabeth Lennox, 2014-10-07 As a southern belle Georgette has certain standards she must maintain But when Dylan walks into the ballroom all of her southern manners and poise are unable to hold up under his heated stare She can't believe a Yankee could break through her walls so completely but she must maintain her distance She has goals of her own and she can't let some man no matter how delicious he might be interfere with those goals Dylan can't believe that the lovely lady is even trying to ignore her passionate side She is sensual and funny intelligent and passionate And when they touch they set each other on fire So why is she running away from such a perfect union
