Freedom Summer For Young People Bruce Watson, 2020-11-03 This latest edition in Triangle Square s For Young People series is a gripping account of the summer that changed America In the summer of 1964 as the Civil Rights movement boiled over the Student Nonviolent Coordinating Committee SNCC sent more than seven hundred college students to Mississippi to help black Americans already battling for democracy their dignity and the right to vote The campaign was called Freedom Summer But on the evening after volunteers arrived three young civil rights workers went missing presumed victims of the Ku Klux Klan The disappearance focused America s attention on Mississippi In the days and weeks that followed volunteers and local black activists faced intimidation threats and violence from white people who didn t believe African Americans should have the right to vote As the summer unfolded volunteers were arrested or beaten Black churches were burned More Americans came to Mississippi including doctors clergymen and Martin Luther King A few frightened volunteers went home but the rest stayed on in Mississippi teaching in Freedom Schools registering voters and living with black people as equals Freedom Summer brought out the best and the worst in America The story told within these pages is of everyday people fighting for freedom a fight that continues today Freedom Summer for Young People is a riveting account of a decisive moment in American history sure to move and inspire readers

Freedom Summer Bruce Watson, 2010-06-10 A riveting account of one of the most remarkable episodes in American history In his critically acclaimed history Freedom Summer award winning author Bruce Watson presents powerful testimony about a crucial episode in the American civil rights movement During the sweltering summer of 1964 more than seven hundred American college students descended upon segregated reactionary Mississippi to register black voters and educate black children On the night of their arrival the

worst fears of a race torn nation were realized when three young men disappeared thought to have been murdered by the Ku Klux Klan Taking readers into the heart of these remarkable months Freedom Summer shines new light on a critical moment of nascent change in America Recreates the texture of that terrible yet rewarding summer with impressive verisimilitude Washington Post *What Do We Mean by That?* Laura Rychly, 2024-09-09 What Do We Mean by That Interrogating Familiar Expressions in Education is a collection of essays that opens a space for all educational workers teachers teacher educators administrators politicians and others to unpack commonly used educational phrases and ideas The idea is to carefully examine what we say to one another when we talk about schools curriculum students and other educational problems or issues when we say things like We have to meet students where they are and All children can learn or What does the data say What Do We Mean by That challenges and clarifies such phrases and the how and why that they shape educational policies and practices The influential curricular theorist Dwayne Huebner charged us to always be aware of our man made tools such as language and said that since all educators attempt to shape the world theorists should call attention to the tools used for the shaping in order that the world being shaped can be more beautiful and just Language is a tool in educational practice in myriad ways between administrators and teachers teachers and students teachers and parents and students and students as examples A scripted curriculum is a tool intended to provide fixed language to teachers It is normal for phrases to make their way into our everyday practices and get lodged there But we need opportunities to interrupt ourselves and study our language tools to ensure they help create beauty and justice This collection of thoughtful essays seeks to be this interruption It is an invaluable tool for improving the educational experience of students and schools Perfect for courses such as Foundations of Education Curriculum Studies Diversity in Education Educational Rhetoric and Policy **Educational Assessment in the 21st Century** Claire Wyatt-Smith, Joy Cumming, 2009-08-05 Signs of Change Assessment Past Present and Future Another Time Another Place Examinations Then and Now In the Temple of Literature in Hanoi Vietnam a series of stone stelae records the names of the handful of illustrious examination candidates who in each century passed the national examination to become a Doctor of Literature Beginning in the 11th century the exams were conducted personally by successive kings who pursued Confucian ideals that found expression in the enormous value placed on the pursuit of wisdom and learning In the 21st century we are both puzzled and impressed by this tradition Puzzled by such an explicit commitment to a meritocracy in an essentially feudal society impressed by this enthusiasm for learning and the pursuit of wisdom at the highest level of society Yet there are also important similarities between the 11th and 21st centuries Then as now assessment was associated with excellence high standards pr tige and competition success for the chosen few disappointment for the majority Then as now the pursuit of excellence was embedded in a social context that favoured the elite and determined success in terms of the predilections of the powerful Then as now the purpose of the assessment the way it was conducted and its impact on society all reflected the social and economic priorities of the day
