The Essentials of Academic Writing Derek Soles, 2015-05-11 *Essentials of Academic Writing* is an essay level book focused exclusively on writing academic papers. It is organized around three principles: a thorough focus on the fundamentals of writing academic papers, a cross disciplinary approach to writing that emphasizes the importance of writing skills beyond the English course, and a focus on reading skills as the underlying foundation of a good critical thinker. One of the hallmarks of this book is the use of a single sample student essay from start to finish as an annotated example of the process used by a developing writer.
