Gibson,2025-05-05 In our world many people think that freedom is doing exactly what they want to do and this is true for
even some believers in Christ We plan our days according to our will and not God s thinking that we know what s best if truth
be told how can we expect to produce a better life than the one that God has planned for us Yes God has a plan for all His
children and when we understand this we can begin to start a new journey with Him that will lead us to prosperity not as the
world sees prosperity but prosperity in the eyes of God We will all stand before God one day and living a life that was not
guided by the Holy Spirit will not bring us great rewards Living our life outside God s will is sin and this is not living free The
great apostle Paul said in Galatians 5 1 Stand Fast therefore in the liberty wherewith Christ hath made us free and be not
entangled again with the yoke of bondage Living free is allowing God to live through us We will have a greater impact in our
lives and the lives of others when we do so This is truth that will make you free And Ye shall know the truth and the truth
shall make you free John 8 32 When we trust that God s Word is truth and we know how this life ends according to His Word
It will enable us to face difficulties persecution and even death We can simply die strong just as all the martyrs for Christ
have done in the past not being fearful of what may come but standing strong knowing God has everything under control
