Peru International Monetary Fund. Monetary and Capital Markets Department, 2018-12-14 The overall quality of Peru's supervisory approach and regulation of the banking sector is strong Some areas for enhancement remain A key area that needs strengthening relates to the powers and regulatory framework for consolidated and cross border supervision The FSAP undertook a full graded Basel Core Principles BCP assessment of the essential criteria The 2011 BCP update assessment found that bank regulation and supervision was of high quality and no principles were scored non compliant or materially non compliant The current assessment shows that the SBS has maintained and further enhanced its regulatory and supervisory framework **Bulgaria** International Monetary Fund. Monetary and Capital Markets Department, 2015-10-29

This paper discusses key findings and recommendations of the Detailed Assessment of Observance on the Basel Core Principles for Effective Banking Supervision on Bulgaria Within the Banking Supervision Department the Special Supervision Directorate SSD has been assigned multiple activities that go beyond its primary objective of ensuring integrity in the banking sector The Bulgarian National Bank is not empowered to require a bank to change its internal organization or structure It is recommended to refocus the activity of the SSD on its core mandate of financial integrity This recommendation can be achieved by assigning nonsupervisory activities to other Directorates preferably outside the Banking Supervision Department **Turkey** International Monetary Fund. Monetary and Capital Markets Department, 2017-02-08 This paper

presents an assessment of observance of Basel Core Principles for Effective Banking Supervision in Turkey Since the previous assessment conducted in 2011 the Banking Regulation and Supervisory Agency has made several significant improvements to its supervisory framework There are areas that still warrant improvement including addressing legal provisions that undermines supervisory independence providing a deeper risk assessment focus to supervisory inspections and follow up enhancing the forward looking component of the assessments streamlining risk management and corporate

governance requirements strengthening the supervisory enforcement regime demanding recovery plans developing group resolution plans and increasing the ability to act at an early stage to address unsafe and unsound practices      **Handbook of Research on Creating Sustainable Value in the Global Economy** Akkucuk, Ulas,2019-11-15 During the first decade of the 21st century the world has witnessed a plethora of corporate scandals global economic crises and rising environmental concerns As a result of these developments pressure has been mounting on businesses to pay more attention to the environmental and resource consequences of the products they produce and services they deliver The Handbook of Research on Creating Sustainable Value in the Global Economy contains a collection of pioneering research on the integration of issues of sustainability within the traditional areas of management While highlighting topics including green marketing circular economy and sustainable business this book is ideally designed for managers executives environmentalists economists business professionals researchers academicians and students in disciplines including marketing economics finance operations management communication science and information technology      **Spain** International Monetary Fund,2012-06-11 This paper assesses compliance of the Basel Core Principles for Effective Banking Supervision in Spain Significant changes have occurred in Spain since the last Financial Sector Assessment Program FSAP The most serious has been the deterioration of the economy and the real estate sector The dual legal framework governing Cajas poses the risk of potential conflicts in the exercise of supervisory and sanctioning authority Other 2006 FSAP recommendations have been magnified with the perspective given by events from 2007 to 2011      **Zimbabwe** International Monetary Fund.
