| <input type="checkbox"/> DISTRIBUTE | the review worksheet pages to the class. |
| <input type="checkbox"/> REVIEW | the instructions for the activities. For the "Levels of the Public Sphere" activity, you may want to help students think about what issues they've heard people talking about lately or what they've heard or read in the news. |
| <input type="checkbox"/> ASSIGN | students to complete the worksheet. |
| <input type="checkbox"/> REVIEW | the answers if you wish. |
| <input type="checkbox"/> CLOSE | by asking students to consider this question: Would it be possible to have a world without the public sphere? If so, what would it be like? |
| <input type="checkbox"/> EXTEND | the lesson by tracking headlines with the class for the next week, to look for issues that are on the public agenda. Either pull up a news website and project it to look at together, or assign students to track headlines on their own. Are the issues you find global, national, or local? Have students heard these issues being discussed in the public sphere? (On television, at home, or even among their peers?) |
