Media/Impact Shirley Biagi, 2009-04-03 Consistently praised for its engaging writing style currency and visual appeal MEDIA IMPACT AN INTRODUCTION TO MASS MEDIA International Edition introduces students to today s converged mass media its industries and support industries as well as the legal ethical social global and technological issues that accompany them Emphasizing the impact of the media on individuals and society Biagi grounds her discussion in the fact that the media are first and foremost in the business of making money and provides concise histories of each industry before giving students an insider s look at what it is like to work in each industry The ninth edition of this enduring bestseller offers several important new features including a media literacy case study in each chapter enhanced chapter review materials including new Critical Questions an extensive online media careers guide and an entirely new collection of video clips with critical viewing questions

Advances in Foundational Mass Communication Theories Ran Wei, 2018-02-02 Providing leading edge perspectives on the legacy theories of mass media and society this collection advances the foundational theories of mass communications which have sustained the field of study over the past fifty years Many of these contributions were originally published as a Deutschmann Scholarly Essay in the Mass Communication and Society journal and together they comprise a remarkable source of knowledge equipped to lead mass communications theory through the emergence of new technologies and the evolution of communications in the 21st century Moreover the contributions gathered in this volume contradict any critics who may claim the theories of the 20th century have outlived

their usefulness for these prove to guide contemporary research as forcefully as ever in the digital era Validating the classic media theories across time and their various forms constitute the second focal section of this volume Finally senior media scholars offer their views on the future directions in which mass communication theories can be advanced

Handbook of Research on Deconstructing Culture and Communication in the Global South Okocha, Desmond Onyemechi, Yousaf, Muhammad, Onobe, Melchizedec J., 2023-07-10 There are inequalities in global knowledge production in communication outlets cultural practices and governance problems Under this symbiotic relationship they reinforce the cultural ideas values and governance systems operating in the Western countries as an ideal and role model for the Global South countries Media is regarded as the agent of change for communication and cultural values Indigenous knowledge production and dissemination is an essential feature to get a better insight into Global South countries Likewise dewesternizing and demystifying societal culture and governance issues are pertinent in this age of information The Handbook of Research on Deconstructing Culture and Communication in the Global South focuses on local production practices keeping in view the local needs of communication outlets and societal and cultural sensitivities This Indigenous knowledge would provide deeper and richer insights into the problems and sensitivities of Global South countries To achieve this end this book adopts a broader approach encompassing development issues democratic values digitalization practices gender equality issues and more Covering topics such as biocultural activism language ideology and religiocentrism this major reference work is a valuable resource for graduate students sociologists government officials students and educators of higher education librarians development organization leaders religious scholars policymakers researchers and academicians

Media Impact: An Introduction to Mass Media Shirley Biagi, 2012-12-19 Consistently praised for its engaging writing style currency and visual appeal MEDIA IMPACT focuses students on today's world of digital mass media industries and support businesses as well as the legal ethical social global and technological issues these businesses face every day Emphasizing the impact of the media on individuals and in today's society Biagi grounds her discussion in the business aspects of all the mass media industries with concise histories of each industry before giving students an insider's look at what it's like to work in each business The 10th edition of this bestseller covers all aspects of the latest communications technology and their impact on society Included in the 10th Edition are the most current statistics about all the media industries detailed illustrated TimeFrames for each industry and more than 30 new Media Impact boxed features featuring coverage of the latest media trends and issues These Media Impact boxes cover media money audience culture ethics and people as well as the global reach of the mass media business from sources including The New York Times Washington Post Los Angeles Times Bloomberg Advertising Age The Wall Street Journal and The New Yorker Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

The International History of Communication Study Peter Simonson, David W. Park, 2015-10-14 The International History of Communication Study maps

the growth of media and communication studies around the world Drawing out transnational flows of ideas institutions publications and people it offers the most comprehensive picture to date of the global history of communication research and education This volume reaches into national and regional areas that have not received much attention in the scholarship until now including Asia Latin America Africa and the Middle East alongside Europe and North America It also covers communication study outside of academic settings in international organizations like UNESCO and among commercial and civic groups It moves beyond the traditional canon to cover work by forgotten figures including women scholars in the field and those outside of the United States and Europe and it situates them all within the broader geopolitical institutional and intellectual landscapes that have shaped communication study globally Intended for scholars and graduate students in communication media studies and journalism this volume pushes the history of communication study in new directions by taking an aggressively international and comparative perspective on the historiography of the field Methodologically and conceptually the volume breaks new ground in bringing comparative transnational and global frames to bear and puts under the spotlight what has heretofore only lingered in the penumbra of the history of communication study Communication Research Methods Mr. Rohit Manglik,2023-11-23 Methods for conducting research in media and communication fields

The Cumulative Book Index ,1998 A world list of books in the English language *Handbook of Media Management and Economics* Alan Albarran,Bozena Mierzejewska,Jaemin Jung,2018-04-27 Winner of the 2019 Robert Picard Book Award The Handbook of Media Management and Economics has become a required reference for students professors policy makers and industry practitioners The volume was developed around two primary objectives assessing the state of knowledge for the key topics in the media management and economics fields and establishing the research agenda in these areas ultimately pushing the field in new directions The Handbook s chapters are organized into parts addressing the theoretical components key issues analytical tools and future directions for research With its unparalleled breadth of content from expert authors the Handbook provides background knowledge of the various theoretical dimensions and historical paradigms and establishes the direction for the next phases of research in this evolving arena of study Updates include the rise of mobile and social media globalization audience fragmentation and big data **Technology Integration and Transformation of Elections**

in Africa Cosmas Uchenna Nwokeafor,2017-02-22 Technology Integration and Transformation of Elections in Africa serves as a standard textbook and a reference guide to students in both undergraduate and graduate programs in tertiary institutions where elaborate discourse on the impact of technology to political elections and advancements across the continental Africa have continued to gain weight The rationale in publishing this textbook far more outweighs its timeliness but speaks highly of its significance because it deals with technology integration and transformation of elections in Africa a region whose elections has been continuously marred by corruption and incessant fraudulent activities perpetrated by both the citizens various political parties and the umpires whose responsibilities were to present a credible election Elections in

Africa draws international attention and the news is seldom good For instance the elections in Kenya fueled violence that left 1 500 dead and 300 000 displaced while elections in Zimbabwe suffered from massive fraud and brutal suppression In Nigeria in 1999 and 2011 the result of the elections were in shambles and some of the parties that lost the election took to the street resulting in the death of significant percentage of innocent people *American Democracy in Peril* William E. Hudson,2020-02-07 *American Democracy in Peril* encapsulates the tumultuous state of American politics By introducing the history of democratic theory in terms of four models of democracy Hudson provides readers with a set of criteria against which to evaluate the challenges discussed later This provocative book offers a structured yet critical examination of the American political system designed to stimulate students to consider how the facts they learn about American politics relate to democratic ideals This new edition incorporates the Trump Presidency and the polarization that has accompanied his leadership *Teaching for EcoJustice* Rita J. Turner,2015-05-22 *Teaching for EcoJustice* is a unique resource for exploring the social roots of environmental problems in humanities based educational settings and a curriculum guidebook for putting EcoJustice Education into practice It provides model curriculum materials that apply the principles of EcoJustice Education giving pre and in service teachers the ability to review examples of specific secondary and post secondary classroom assignments lessons discussion prompts and strategies that encourage students to think critically about how modern problems of sustainability and environmental destruction have developed their root causes and how they can be addressed The author describes instructional methods she uses when teaching each lesson and shares insights from evaluations of the materials in her classroom and by other teachers Interspersed between lessons is commentary about the rationale behind the materials and observations about their effect on students *Journalism and the Philosophy of Truth* Jesse Owen Hearn-Branaman,2016-02-12 This book bridges a gap between discussions about truth human understanding and epistemology in philosophical circles and debates about objectivity bias and truth in journalism It examines four major philosophical theories in easy to understand terms while maintaining a critical insight which is fundamental to the contemporary study of journalism The book aims to move forward the discussion of truth in the news media by dissecting commonly used concepts such as bias objectivity balance fairness in a philosophically grounded way drawing on in depth interviews with journalists to explore how journalists talk about truth **Social Media: Divergent Paradigms** Dr. Sewa Singh Bajwa,2021-07-29 Social Media has taken the world by storm Unlike other prevalent media of Mass Communication it thrives on the user generated content It is the only podium on which people have unbridled liberty to give vent to their thoughts People conceive write and share their thoughts by making use of the Social Media apps of their own choice Though it has changed the communication patterns of all sections of society through out the globe yet studies reveal that the youth is most affected by the immense potential of Social Media Young boys and girls are often seen busy in having interaction with their friends peers classmates and relatives They spend most of their quality time on Social Media It offers ample opportunity

for females for learning culinary items knitting tailoring cooking exercising and learning virtual anything under the sun on You Tube Succinctly speaking this media has changed the very definition and modes of communication This book on Social Media carries expert opinion about various aspects of Social Media Intellectuals have richly contributed by way of their write ups for this book **Media and Communication Research Methods** Anders Hansen,David Machin,2018-09-12 This

essential textbook provides a clear and authoritative introduction to qualitative and quantitative methods for studying media and communication Written by two highly experienced researchers the book draws on a wide range of media and communication research to introduce students to the relative strengths of the different research approaches Beginning with an overview of the changing contexts and trends in media and communication research approaches the book demystifies research and the research process by offering practical and accessible guidance on how to design plan and carry out successful research projects in media and communication This is an indispensable text for all students of media and communication studies particularly those undertaking their own research projects or taking modules in research methods

Encyclopedia of Gender in Media Mary Kosut,2012-05-18 The Encyclopedia of Gender in Media critically examines the role of the media in enabling facilitating or challenging the social construction of gender in our society Gender and National Development Nkem Fab-Ukozor,Onyebuchi Chima Alexander,2023-06-30 This book serves to shed a light on the position of women in media and how these institutions shape the women s contributions to national development The authors argue that women are unsung heroes driving the growth of nations Nevertheless their stories are seldom told they are often stereotyped and marginalized within society This form of discrimination serves to take away the voices of women in all social stratas especially in the developing nations of Africa It is little wonder that there is gender inequality gender bias and gender injustice in society This book highlights literature which may be used to actualize gender equality and social justice for women By creating a discussion around gender society will begin to understand the value and importance of women in engineering development Women are vital to social change *Choices* Carl Johnson,1992
