MAPPING CONFLICT IN CHITTAGONG HILL TRACTS 1997-2014 Zahid ul Arefin Choudhury, 2020-04-27 The issue of the Chittagong Hill Tracts is as divisive as the region itself At one end there are tales of woe how the original inhabitants of the region are being evicted from their land through violence and

trickery their marginalization and elimination of their traditional way of life simultaneously while it is being exoticized for tourism These accounts however paint a static picture where the members of these ethnic groups are victims always and without any agency Consequently these accounts fail to hold up in front of close examination and invites counter opinion rage that the Bengali and other ethnicities of CHT are prevented from living in harmony by disruptive elements within the society that the oppression and repression of the hill peoples are made up stories that feed national and international conspiracies In Conflict Mapping in the Chittagong Hill Tracts researchers from the Department of Peace and Conflict Studies at the University of Dhaka cut through this fog of confusion by presenting dispassionate unornamented data With the help of original data and systematic analysis they show how the social life of CHT is marked by deep polarization both within and across the ethnic divide how it is beset by real and perceived accounts of discrimination and by lack of confidence on state agencies and the rule of law They also investigate the trajectory of major cases of violence in the region in the past two decades and reveal that these have a common escalation pattern with various points marked by missed opportunities for prevention Based on a study that draws from a large survey of a cross section of people from 8 of the most crime prone Upazilas of the region semi structured interview of selected elites and analysis of the dynamics of 14 incidents of large scale violence between 1997 and 2014 this book aims at initiating a healthy constructive conversation on the issue It challenges long held prejudices common sense beliefs and unsubstantiated propaganda By offering the lens of social science the book invites readers with well meaning but vague opinions as well as consumers of zealous and spoon fed ideas to form informed and nuanced opinion

The Far Right in Greece and the Law Natalie Alkiviadou, 2022-04-24 This book critically evaluates the rise of the far right in Greece detailing the legal context in which to understand both the emergence of Golden Dawn the far right s largest grouping and the 2020 court decision in which it was deemed to be a criminal organisation Golden Dawn was a political party which for years also functioned as a violent subculture movement with limited to no interference by the state This book sets out the background to its rise in Greece tracing its development from the post Junta era At the same time the book provides an assessment of the legal framework within which the far right has operated and the legal tools available to tackle it including criminal law non discrimination law the laws governing political parties and the public order framework and the country s international and European obligations Golden Dawn functioned as both a political party and violent entity until its leadership and parliamentary members were found guilty of leading and participating in a criminal organisation This book demonstrates that the state of impunity in which Golden Dawn s violent hit squads functioned was both a facilitating factor for its rise and potentially for its demise as the group potentially felt untouchable And its attention to how Greek Law has tackled and failed to tackle Golden Dawn offers a timely and more generally useful assessment of how legislation courts and policies can best challenge the far right This book will be of interest to those teaching and studying in law and politics as well as more others concerned with the rise of the far right and violent
