Keep The Faith A Memoir:

Keep the Faith Faith Evans, Aliya S. King, 2024-09-24 A forceful talent and R B sensation gives a first person account of life at ground zero of the most infamous story of hip hop history Essence Magazine It s been over ten years since Big was killed I grieved for him for a very long time And then as time passed the icy wall of grief surrounding my heart began to thaw and I began to heal I remarried had more children and continued to record and release more music I continued to live my life But sometimes I still find myself thinking about Big being rushed to the hospital and I break down in tears It s not just because we hung up on each other during what would be our last telephone conversation And it s not because I am raising our son a young man who has never known his father It s partly all of those things But mainly it s because he wasn t ready to go His debut album was called Ready to Die But in the end he wasn t Big never got a chance to tell his story It s been left to others to tell it for him In making the decision to tell my own story it means that I ve become one of those who can give insight to who Big really was But I can only speak on what he meant to me It s not easy putting your life out there for the masses But I ve decided I ll tell my own story For Big For my children And for myself Keep the Faith: A Memoir Faith Evans, 2009-08-03 It s been over ten years since Big was killed I grieved for him for a very long time And then as time passed the icy wall of grief surrounding my heart began to thaw and I began to heal I remarried had more children and continued to record and release more music I continued to live my life And while I can never discount the time I spent with Big I ve never felt the need to live in the past But sometimes I still find myself thinking about Big being rushed the hospital and I break down in tears It s not just because we hung up on each other during what would be our last telephone conversation And it s not because I am raising our son a young man who has never known his father It s partly all of those things But mainly it s because he wasn t ready to go His debut album was called Ready to Die But in the end he wasn t Big never got a chance to tell his story It s been left to others to tell it for him In making the decision to tell my own story it means that I ve become one of those who can give insight to who Big really was But I can only speak on what he meant to me Yet I also want people to understand that although he was a large part of my life my story doesn t actually begin or end with Big s death My journey has been complicated on many levels And since I am always linked to Big there are a lot of misconceptions about who I really am I hope that in reading my words there is inspiration to be found Perhaps you can duplicate my success or achieve where I have failed Maybe you can skip over the mistakes I ve made Use my life as an example of what to do and in some cases what not to do It s not easy putting your life out there for the masses But I ve decided I ll tell my own story For Big For my children And for myself *Keep the Faith* ,198? **Lord, I Just NEED Toilet Paper** Carrie J Griffin, MBA, 2018-09-27 Inspiration faith humor encouragement and don t quit regardless of what it look or feel like Forwards Most times we are only told of the victorious outcomes and celebrations of the precious faith journey When we run into obstacles some believe they have missed God and may even give up The victory is secured in moving forward and trusting God despite what we feel or see I find the

treasure in trusting the Word of God regardless of the obstacles we face In this Memoir the author has taken the time to explain the details of her faith journey She has been very courageous to share some of her personal experiences She honestly shares many obstacles she has overcome through prayer and endurance This true account of the author's faith journey is very insightful and helpful to the reader This Memoir helps us take a deeper look and gain a greater understanding of the process of walking by faith This Memoir will be valuable to the individual facing obstacles to let them know the obstacles are not there to stop us but to be overcome This Memoir written from the heart by my friend will cause you to cry at times and to laugh at times but the message is real Enjoy Trina K Hazley Pastor of Wings of Victory Church The journey it takes faith focus tenacity and a heart sensitive to the voice of God to stay the journey When God calls you to write the truth This Memoir presents a lot of life lessons that reveal the challenges we face when it comes to walking by faith It was very refreshing to see the author bare her soul without the intent of hiding her emotions This bravery displays transparency that will allow the reader to see the challenges we face in pursuing our God given dreams One thing is for sure the faith to endure has been revealed in this Memoir Throughout this Memoir you see a continuous struggle to persevere despite hardships This approach will allow the reader to gain confidence and not to give up on their God given dreams So enjoy and be encouraged as I was and keep the Faith

Memoirs of the Life and Writings of J. Pye Smith John MEDWAY, John Pye Smith, 1853 Shadow Bob Woodward, 1999-06-16 Twenty five years ago after Richard Nixon resigned the presidency Gerald Ford promised a return to normalcy My fellow Americans our long national nightmare is over President Ford declared But it was not The Watergate scandal and the remedies against future abuses of power would have an enduring impact on presidents and the country In Shadow Bob Woodward takes us deep into the administrations of Ford Carter Reagan Bush and Clinton to describe how each discovered that the presidency was forever altered With special emphasis on the human toll Woodward shows the consequences of the new ethics laws and the emboldened Congress and media Powerful investigations increasingly stripped away the privacy and protections once expected by the nation's chief executive Using presidential documents diaries prosecutorial records and hundreds of interviews with firsthand witnesses Woodward chronicles how all five men failed first to understand and then to manage the inquisitorial environment The mood was mean Gerald Ford says Woodward explains how Ford believed he had been offered a deal to pardon Nixon then clumsily rejected it and later withheld all the details from Congress and the public leaving lasting suspicions that compromised his years in the White House Jimmy Carter used Watergate to win an election and then watched in bewilderment as the rules of strict accountability engulfed his budget director Bert Lance and challenged his own credibility From his public pronouncements to the Iranian hostage crisis Carter

never found the decisive healing style of leadership the first elected post Watergate president had promised Woodward also provides the first behind the scenes account of how President Reagan and a special team of more than 60 attorneys and archivists beat Iran contra They turned the Reagan White House and United States intelligence agencies upside down investigating the president with orders to disclose any incriminating information they found A fresh portrait of an engaged Reagan emerges as he realizes his presidency is in peril and attempts to prove his innocence In Shadow a bitter and disoriented President Bush routinely pours out his anger at the permanent scandal culture to his personal diary as a dozen investigations touch some of those closest to him At one point Bush pounds a plastic mallet on his Oval Office desk because of the continuing investigation of Iran contra Independent Counsel Lawrence Walsh Take that Walsh he shouts I d like to get rid of this guy Woodward also reveals why Bush avoided telling one of the remaining secrets of the Gulf War The second half of Shadow focuses on President Clinton s scandals Woodward shows how and why Independent Counsel Kenneth Starr s investigation became a state of permanent war with the Clintons He reveals who Clinton really feared in the Paula Jones case and the behind the scenes maneuvering and ruthless cynical legal strategies to protect the Clintons Shadow also describes how impeachment affected Clinton s war decisions and scarred his life his marriage and his presidency How can I go on First Lady Hillary Clinton asked in 1996 when she was under scrutiny by Starr and the media two years before the Lewinsky scandal broke How can I Shadow is an authoritative unsettling narrative of the modern beleaguered presidency
