Analyzing an NYSE Euronext Listing

Investors follow changes for various stocks to determine which ones to invest in. Each day, information about each company's stock is released by the stock exchanges. Often, this information is organized in a table. It is important for investors to be able to analyze the table in order to make wise investment decisions.

Directions: Examine the chart below and then answer the following questions. If you need help with the terms, reread the section on stocks in Lesson 3.

12-MONTH HI	12-MONTH LO	STOCK (SYM)	DIV	YIELD	P/E	100s	LAST	NET CHG
\$2.07	.29.95	AcmeAuto (A1)	0.48	1.28	38.02	671	\$156	0.25
\$5.95	\$2.60	AcmeAuto (A100)	1.28	2.73	18.25	25,995	\$4.88	-1.78
129.04	86.81	Radio Corp (R50)	0.11	0.38	25.78	1,078	\$9.92	-0.51
15.48	6.75	AcmeAuto (A1)	0.88	5.78	8.8	75,108	\$1.99	-0.21

1. Examine column P/E. The 38.02 for AcmeAuto tells us that an investor would have to buy \$38.02 of stock to get \$1 of current earnings. Would it be a better deal or a worse deal to buy shares of Radio Corp? Why?

2. Examine the column labeled "100s." This column tells how many hundreds of stocks were traded that day. Which stock was the most traded? Which stock was the second most traded?

Arizona Sample Exam 130 questions We know the real estate licensing exam can be tough and very nerve wracking to
prepare for That s why we created the Arizona Real Estate License Exam Prep AZ RELEP the way we did Since we have been
managing real estate schools and developing curriculum for forty years we know how all this works or fails to work AZ
RELEP is comprehensive in that it contains both key content review and testing practice And the text review is Arizona
specific not just simplistic national content but terse relevant and accurate Arizona laws and regulations presented as a well
organized set of state key point reviews ideal for pre test memorization But let s not dismiss the importance of the national
content either AZ RELEP s national key point reviews are a succinct compression of tested national principles and practices
that comprise the national portion of state license exams from coast to coast Our content is drawn from our own national
textbook Principles of Real Estate Practice one of the most widely used principles textbooks in the country Finally our
national content as well as our question selection is further tailored to the state testing outline promulgated by Pearson Vue
for Arizona Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state s
testing service and your Arizona license exam A word about the test questions AZ RELEP s testing practice section consists
of ten national practice tests three state practice tests and one state exam sample test The practice tests are roughly 50
questions in length and the sample test is 125 questions The test questions are designed to cover the content covered by the
law reviews which reinforces your learning of the total body of information tested by your state exam The questions are
direct to the point and designed to test your understanding When you have completed a given test you can check your
answers against the answer key in the appendix You may also note that each question s answer is accompanied by a brief
explanation or rationale to further reinforce your understanding In the end as you know it s all up to you Unlike other
publications we are not going to tell you that using this book will guarantee that you pass your state exam It still takes hard
work and study to pass But we have done our best here to get you ready Following that the most we can do is wish you the
