This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the points on which candidates were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will enter into discussions about these mark schemes.

Cambridge is publishing this mark scheme for the March 2017 series for only Cambridge IAS[®], Cambridge International A and AS Level components and some Cambridge IY Level components.
