13. LPN/LVNs function to provide specific services to patients under the direct supervision of a licensed physician, dentist, or registered nurse; assist individuals, such as well, in the performance of those activities contributing to health, to their recovery, and to gain independence as rapidly as possible or to have a peaceful death. The LPN/LVN is educated to be a responsible member of a health care team, performing basic therapeutic, rehabilitative, and preventive care to assigned patients. LPN/LVNs are continuing to provide care in all types of settings, with the majority employed in long-term care settings.
