Moses Tabernacle Paper Model:

The Tabernacling Presence of God Susan Booth, 2015-09-18 Although a large majority of believers agree that they should share their faith most report that they in fact do not That s not really all that surprising given today s pluralistic cultural setting But maybe this same culture s longing for transcendence community and a place to call home points to a backstory that makes sense of it all If such a narrative exists it deserves a hearing and those who know and live this story have both the responsibility and privilege of sharing its message of hope The narrative of the Bible tells just such a story where God s purpose from the beginning has been to dwell or tabernacle in the midst of the people he has created This book traces the theme of God s tabernacling presence across Scripture reading the story afresh through a missional lens in order to gain insights for mission and gospel witness The hope is that readers will awaken wide eyed to the wonder of God s tabernacling presence in our midst that we will live in such a way that others recognize this reality and that we will boldly and joyfully share the good news of Jesus under the direction and power of his indwelling Spirit **Reports, Papers, &c** Great Britain.
