the West they have been sadly neglected Although a few have been individually translated into English this is the first bilingual anthology ever to appear The prayers in this volume are characterized by a highly personal and intimate style and mark occasions in the religious calendar such as the Tkhine for the Blessing of the New Moon as well as occasions in the life of a woman such as the Tkhine for a Mother who Leads Her Child to Kheyder for the First Time The tkhines are of great appeal and value to those who wish to hear the voices of Jewish women in history study Yiddish literature and culture or create new expressions of spirituality
