**Language Policy** D. Johnson, 2013-07-29 A detailed overview of the theories concepts research methods and findings in the field of language policy is provided here in one accessible source The author proposes new methodological theoretical and conceptual directions and offers guidance for doing language policy research *The Globalization of Internationalization* Hans de Wit, Jocelyne Gacel-Ávila, Elspeth Jones, Nico Jooste, 2017-01-20 The Globalization of Internationalization is a timely text which gives voice to emerging perspectives as an increasing range of countries engage in the process of internationalization The pressure to internationalize cannot be ignored by institutions anywhere in today's world yet the dominant paradigms in the conception of internationalization traditionally come from the English speaking world and Western Europe This book sets out to offer alternative viewpoints Different dimensions and interpretations of internationalization in countries and regions whose perspectives have received little attention to date provide food for thought and help to broaden understanding of its application in alternative contexts Combining diverse perspectives from around the world this new volume in the Internationalization in Higher Education series seeks answers to key questions such as What are the main characteristics of internationalization viewed from different cultural and regional backgrounds and how do they differ from traditional models such as in Western Europe North America and Australasia What issues in different global contexts have an impact on internationalization processes What are the key challenges and obstacles encountered in developing innovative and non traditional models of internationalization With contributions from world renowned international authors and perspectives from countries and contexts seen only rarely in the literature The Globalization of Internationalization offers distinctive overviews and insights while exploring a range of thematic and regional issues arising from these considerations This will be essential reading both as an academic resource and a practical manual for university leaders academics higher education policy advisers and non governmental organizations which fund higher education

**Beyond Occupation** Virginia Tilley, 2012-09-06 Is Israel following international law This collection looks at three contentious terms that arise in contemporary arguments about Israel's practices towards Palestinians occupation colonialism and apartheid and how they are manipulated by the Israeli state These essays present conclusive evidence that Israel's administration of the Palestinian territories is consistent with colonialism and apartheid Moreover these practices are deliberate Israeli state policies which are imposed on the Palestinian population under military occupation Beyond Occupation raises serious implications for the legality and legitimacy of Israel's continuing occupation highlighting the responsibility of the entire international community *General Catalogue of Printed Books to 1955* British Museum. Dept. of Printed Books, 1967
