UK: February 2020 | ~~£8.99~~ **£6.29**

US: April 2020 | ~~\$11.95~~ **\$8.37**

Paperback | 368 pages

15 illustrations

Plain English is the art of writing clearly, concisely, and in a way that precisely communicates your message to your intended audience. This book offers expert advice to help writers of all abilities improve their written English. With 30 chapters, each centred around a practical guideline, its coverage is extensive, including lessons on vocabulary, punctuation, grammar, layout, proofreading, and organization. There are also hundreds of real examples to show how it's done, with handy 'before' and 'after' versions. All this is presented in a straightforward and engaging way.

This new edition has been fully revised, reorganized, and updated to make its content even more accessible. There are now chapters discussing customer-service writing and common blunders in the workplace, while other sections have been amended to update examples and provide easier routes through the book. The chapter on sexism, in particular, has been heavily expanded to advise on the use of inclusive language in general.

FEATURES

- Fully reorganized and revised to address of use
- A new appendix covering the history of plain English, as well as a detailed sources-and-notes section to enable further reading

Martin Cutts, Writer, editor, and teacher
