Anchor Paper - Question 26 - Level 2 - A

All people must face the inevitable process of growing older, which sometimes leads to feelings of helplessness and apathy and a loss of enthusiasm about life. In both Passage I, an excerpt from a short story, and Passage II, a poem, characters must face the process of aging and the feelings that come with it. In Passage I, the narrator expresses the disappointment and cynicism that he has developed as he has grown older. He discusses adversities which he has faced such as "the perfidy of friends and the wickedness of the flesh, lost frontiers... the death of dreams, solitude, pain..." He mourns lost youth stating, "every loss is a tear in the heart's tender flesh," and ~~at the end of the~~ ~~passage~~ The dog in Passage II has also lost the enthusiasm and excitement of youth. He is shown to be quite apathetic. No longer as playful as a young puppy, when his owner attempts to "toss his ragged stuffed lion," the dog will "seem to want to say 'you don't have to play with me, I'm fine' and then mosey over, and take the toy back to his spot." In each of these passages demonstrates the loss of enthusiasm and the disappointment that often come with aging.
