personalize your study plan is to get frequent feedback on what you know and what you don't know. At the online REA Study Center you can access three types of assessment: topic level quizzes, mini tests, and a full length practice test. Each of these tools provides true to format questions and delivers a detailed score report that follows the topics set by the College Board. Topic Level Quizzes: Short 15 minute quizzes are available throughout the review and test your immediate understanding of the topics just covered. Mini Tests: Three online mini tests cover what you've studied. These tests are like the actual AP exam only shorter and will help you evaluate your overall understanding of the subject. 2 Full Length Practice Tests: 1 for Calculus AB and 1 for Calculus BC. After you've finished reviewing the book, take our full length practice exams to practice under test day conditions. Available both in the book and online, these tests give you the most complete picture of your strengths and weaknesses. We strongly recommend you take the online versions of the exams for the added benefits of timed testing, automatic scoring, and a detailed score report. Improving Your Score with e Flashcards: With your score reports from the quizzes and tests, you'll be able to see exactly which AP Calculus topics you need to review. Use this information to create your own flashcards for the areas where you are weak. And because you will create these flashcards through the REA Study Center, you can access them from any computer or smartphone. REA's All Access test prep is a must have for students taking the AP Calculus AB/BC exams. *Cracking the AP Calculus AB Exam 2015 Edition* Princeton Review, 2014-09-30
