Ghata, 2007-08-16 A la mort de mon père j'ai reçu le trépas que se transmet dans ma famille de génération en génération L'instrument m'a résisté refusant de libérer les accords mystiques qui font la gloire des musiciens d'Iran Sous mes doigts il ne semblait plus qu'un morceau de bois sans saveur Etais-je maudit Quel crime devais-je donc expier A moins que ce ne fût le trépas qui portait un secret trop lourd pour vibrer comme autrefois J'ai brisé les cordes et je suis parti trouver le luthier d'Ardabil Mais changer les cordes d'un trépas est changer son me Et celle du musicien qui le possède Je ne reviendrai jamais d'Ardabil

*Revue britannique* Sébastien Louis Saulnier, Léon Galibert, Amédée Pichot, Pierre Amédée Pichot, 1857 **Revue Britannique**, 1857 Le Chevalier De Maison-Rouge Alexandre Dumas, The Chevalier de Maison Rouge though it deals with events subsequent to those covered by the earlier stories of the Marie Antoinette cycle was written at an earlier date In it we are introduced to a new set of personages and see no more of the characters whose fortunes furnish the fictitious as distinguished from the historical interest of the earlier stories The months which elapsed between the execution of the King and the appearance in the Place de la Révolution of the ill-fated Marie Antoinette were thickly strewn with tragedy particularly after the final conflict between the Gironde and the Mountain and the decisive victory of the latter resulting in the undisputed supremacy of the band of men in whom we now see the personification of the Reign of Terror Those portions of the narrative which describe the life of the queen at the Temple and subsequently in the Conciergerie are founded strictly upon fact Of the treatment accorded to the little Dauphin by Simon who is given much prominence in the story it need only be said that it falls far short of the truth as it is to be found in numberless memoirs and documents There is nothing in all

history more touching and heart rending than the fate of this innocent child who was literally done to death by sheer brutality in less than two years nor is there any one of the excesses committed by the extreme revolutionists which has done more to cause posterity to fail to realize the vast benefits which mankind owes to the Revolution in the face of the unnamable horrors which were perpetrated in its name The noble answer of Marie Antoinette to the unnatural charges brought against her by H bert not Simon was actually made at her trial There is no direct historical authority for the various attempts herein detailed to effect the escape of the Queen although rumors of such were circulating unceasingly The titular hero of the book is not an historical personage nor are Maurice Lindey and Lorin but the latter are faithful representatives of a by no means small class of sincere and devoted republicans who turned aside with shrinking horror from the atrocities of the Terror The mutual heroism of Maurice and Lorin in the final catastrophe reminds us of the similar conduct of Gaston in the Regent s Daughter when he fails to reach Nantes with the reprieve until the head of one of his comrades had fallen Nor can one avoid a thought of Sydney Carton laying down his life for Charles Darnay in Charles Dickens s Tale of Two Cities wherein the horrors of the Terror are so vividly pictured
