Eric Wise Lab Manual:

Laboratory Manual by Eric Wise to accompany Saladin Human Anatomy Eric Wise, 2019-01-28 This lab manual can be used with Saladin's Human Anatomy text or it can be used independently. The illustrations are labeled therefore students do not need to bring their lecture texts to the lab. The lab manual can be used in either a one term or a full year course. The illustrations are outstanding and the balanced combination of line art and photographs provides effective coverage of the material. The amount of lecture material in the manual is limited so there is little material included that is not part of the laboratory experience. **Laboratory Manual by Wise for Saladin's Anatomy and Physiology** Eric Wise, 2020-01-03
