**The Dartmouth Doppelgangers** Frank L. Knott,2010-04-26 This book portrays a side of Dartmouth UK unlike anything you will find in a Tourist Guide Despite this all of the sites and characters described within it are real but observed from a comical perspective As Dartmouth also happens to be the place where the Pilgrim Fathers departed for the Americas you could also say that these people carry some responsibility for everything from George Bush to Obesity Charming though the town might first appear then be wary and don't let the same thing happen to you as nearly happened to me **Fiat Punto**
