

TEACHER INSTRUCTIONS

What better textbook do we have than the Bible! Here is a packet of questions for students to answer as they start their own journey through the scriptures.

Paul had been forced to leave sooner than he had wanted and always desired to come back. After hearing of persecution and trials, he sent Timothy to visit on his behalf and this letter is written to them as Paul's way of commending them for holding firm to their faith in Jesus.

We could spend so much time in this book! This activity has been created to help students be in the word for themselves by providing a structure of questions for students to answer as they read through the book.

- **Print:** Hand out a copy of this worksheet packet to each of your students. They can work individually, in pairs or in small groups to complete the study guide as they read.
- **Digital:** Assign the [digital worksheets](#) for your students to complete as they are reading the assigned text.
