

## SAN DIEGO JAM

Pass the tag end of the line through the eye of the hook. Bring the tag end back under the main line.

Wrap the tag end of the line around the doubled line. 7 wraps is usually enough to ensure a secure knot. Higher test line will need less wraps.

Bring the tag end through the first loop in the line.

Lubricate the line and tighten. Make sure the loops do not skip over each other!

## RAPALA

Tie a loose overhand knot. Pass the tag end of the line through the lure, then back through the overhand knot.

Loop the tag end of the line around the main line. 3 to 5 loops should produce a secure knot. Bring the tag end back through the overhand knot.

Now pass the tag end of the line through the loop created.

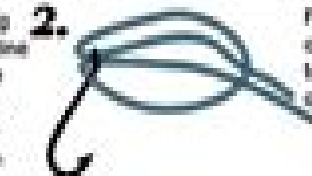

Lubricate the line and tighten. Make sure the loops do not skip over each other!

## WORLD'S FAIR

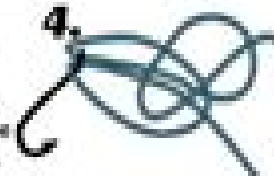

Pass the tag end of the line through the hook, then back out to form a loop.

Fold the loop over the hook to over the ends of the line.

Run the tag end through the loop. Go over the line and under the doubled line.

Pass the tag end of the line through the loop created.

Before finishing, pull out the desired length of line for your dropshot weight.

## ALBERTO

Create a bend in the main line. Bring your leader up through the bend and wrap up to the tag end of the main line.

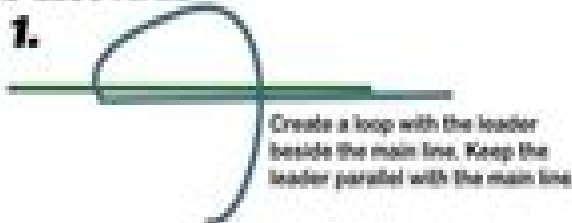

After reaching the tag end of the main line, begin wrapping back down to the bend. Try and keep all your wraps symmetrical and clean. Bring the tag end of the leader down through the bend.

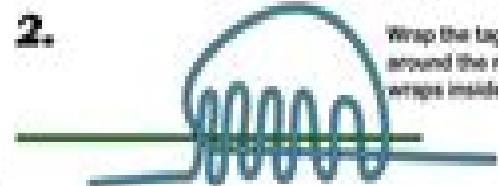

Grab all 4 parts of the line and pull tight. Ensure that no loops skip over each other! Cut the tag ends of the line as close to the knot as possible.

## NAIL-LESS NAIL

Create a loop with the leader beside the main line. Keep the leader parallel with the main line.

Wrap the tag end of the leader around the main line. Keep all wraps inside the loop in the leader.

Grab all 4 parts of the line and pull tight. Leave 1/8" of main line after the knot to allow for tightening during use.
