Functions Of Newspaper Headlines:

Truth to Tell John Morley, 1998-01-01 **The Function of Newspapers in Society** Shannon E. Martin, David A. Copeland, 2003-06-30 The demise of the newspaper has long been predicted Yet newspapers continue to survive globally despite competition from radio television and now the Internet because they serve core social functions in successful cultures Initial chapters of this book provide an overview of the development of modern newspapers Subsequent chapters examine particular societies and geographic regions to see what common traits exist among the uses and forms of newspapers and those artifacts that carry the name newspaper but do not meet the commonly accepted definition The conclusion suggests that newspapers are of such core value to a successful society that a timely and easily accessible news product will succeed despite or perhaps because of changes in reading habits and technology **Phraseological Substitutions in Newspaper Headlines** Sylvia Jaki, 2014-07-15 The major purpose of newspaper headlines is to trigger the reader's interest A popular way to achieve this goal is the use of phraseological modifications Based on previous findings from various linguistic disciplines this book provides an interdisciplinary approach to shed light on the reception of substitutions like More than Meats the Eye It develops an empirical methodology for investigating the complex cognitive processes involved using a large sample of authentic examples for illustration Along these lines this volume not only shows what associations readers make when they encounter a lexical substitution and what factors facilitate the recognition of the canonical form It also addresses the question of how meaning is constructed in terms of Conceptual Integration Theory and establishes an experimentally supported model of interpretation This multifaceted perspective renders Phraseological Substitutions in Newspaper Headlines More than Meats the Eye relevant to scholars and advanced students from a wide range of linguistic areas such as phraseology cognitive linguistics psycholinguistics and humour research but also to interested journalists Media Occupations and Functions Mr. Rohit Manglik, 2023-11-23 Overview of roles and responsibilities in media and communication industries The Language of Newspapers Danuta Reah, 2002 From the ideological bias of the press to the role of headlines in newspaper articles and ways in which newspapers relate to their audience the book provides a comprehensive analysis of newspaper language News Values from an Audience Perspective Martina Temmerman, Jelle Mast, 2020-12-11 This book focuses on journalistic news values from an audience perspective The audience influences what is deemed newsworthy by journalists not only because journalists tell their stories with a specific audience in mind but increasingly because the interaction of the audience with the news can be measured extensively in digital journalism and because members of the audience have a say in which stories will be told The first section considers how thinking about news values has evolved over the last fifty years and puts news values in a broader perspective by looking at news consumers preferences in different countries worldwide The second section analyses audience response explaining how audience appreciation and clicking behaviour informs headline choices and is measured by algorithms Section three explores how audiences contribute to the

creation of news content and discusses mainstream media's practice of recycling audience contributions on their own social media channels
