How To Study History Alive Ancient World:

A Practical Guide to Studying History Tracey Loughran, 2017-01-12 PROSE Award Winner 2018 in the Textbook Humanities Category A Practical Guide to Studying History is the perfect guide for students embarking on degree level study. The book introduces students to the concepts of historical objectivity, frameworks and debate, explains the differences in aims, methods and audiences for different types of history, explores the relationship between the skills developed during a history undergraduate degree and the practice of professional history, helps students develop the practical skills required to read historical writing critically, write good essays and participate in historical debates, includes study questions, further reading lists, text boxes, maps and illustrations. The book incorporates case studies taken from a range of regions and periods, reflecting the varied nature of historical study at university and helps students to understand history and to practice it successfully. It is an indispensable guide to studying history. **Social Studies Teaching Activities Books** Gary Lare, 2006
