

The background of the cover features a detailed anatomical illustration of a human figure in shades of red. On the left, a large, semi-transparent illustration of a human torso and right arm is shown, revealing the underlying skeletal structure, including the ribs, spine, and arm bones. The muscles are depicted with various hatching and shading techniques. In the background, to the right, is a smaller, more solid-looking illustration of a full human figure standing, also in red tones. The overall aesthetic is that of a classic medical textbook.
