Human Resource Management Practices in Selected Ethiopian Private Companies: A Study to Increase Employee Productivity in Ethiopia Dirk J. van Wasbeek, 2004-09-24 This dissertation examines how human resources are managed at selected Ethiopian private companies how Ethiopian human resource management practice is evolving and how it can be improved The examination is qualitative and exploratory since no comparative research on human resource management has yet been conducted at Ethiopian profit or non profit organizations An understanding of Ethiopian human resource management practice makes it possible to improve Ethiopian human resource management practice and thus to increase employee productivity The study took place at four manufacturing and four service companies in Addis Ababa all representative of their sector The research claim is that Ethiopian human resource management practices differ from human resource management practices in the West due to differences in cultural factors economic systems political systems and legal and industrial relations For this reason Ethiopia s culture politics economy and legal and industrial relations have been analyzed The main finding of this study is that the importance of human resource management is not uniformly understood at all the case study companies Although the multinational companies based in Ethiopia see their human resources as the companies most important asset as human capital the local companies generally do not The fact that respondents claim that Ethiopia has limited experience in industrialization might explain why human resource management in Ethiopia is rudimentary and still has a long way to go With this dissertation the researcher wants to contribute to improving Ethiopian human resource management practice Moreover this dissertation may be used as a framework for similar research in other sectors or for more specific in depth research This dissertation may also serve as a knowledge base for company managers business consultants academics and

government officials of countries with a national culture similar to Ethiopia s for example Kenya Tanzania and Zambia countries undergoing or which have undergone a recent transition to a free market economy and countries facing similar macro economic developments A Systematic Comprehensive Review of Human Resource Management Practices at North East Karnataka Road Transportation Corporation DR. VEENA ISHWARAPPA BHAVIKATTI ,DR. SONY HIREMATH ,2021-10-12 The accomplishment of any association over the long haul relies on the quality of its HR This is particularly obvious in administrations situated industry like transport division where improvement in administration must be persistently made to meet the rising desire for the travelers The facts confirm that nation lives through its kin creates through them and additions acknowledgement and greatness through them Road Transport is irreplaceable for the improvement of the economy of a nation It remains the basic decision of versatility of individuals and transport of merchandise because of its expertise in utility proficiency and matchless flexibility improved by an impeccable connection to other vehicle implies Road Transport consistently assumes an important job of shipping short and medium separation traveler exchange In India it is the main method of transport capable of connecting towns to the standard **Performance Improvement** Darryl D. Enos,2000-03-29 Your business large or small profit or not for profit government or private will benefit from the techniques found in Performance Improvement Making it Happen It offers a comprehensive practical approach to diagnostic performance problems and their causes More importantly it gives you the tools and methods for achieving major performance improvement in individuals teams and organizations *Paradigm shifts in Business Delivery Innovative Management Practices* St martin Institute of Business Management, **Selection of Candidates as a Function of Human Resources Management in the Company** Darko Lugonja,2011-08 Research Paper undergraduate from the year 2010 in the subject Business economics Business Management Corporate Governance University of Zagreb Institute of Economics course MBA Human resources management and development language English abstract Contemporary business management is based on management of resources particularly human resources Planning recruiting and selecting candidates are key human resource functions Business leaders are continuously engaged in the process of reconsidering roles and goals managing the business in the most appropriate way Selection based upon internal candidates recruitment was a rule in a lack of certain employees profiles But solving the human resources insufficiency problem we often refocus our attention to external candidates recruitment and selection Besides contacts and colaboration with media and recruitment agencies we also need strengthening of our own potentials Selection through our own human resource department or engagement of selection agency professionals is a routine but when we have to cope with several constraints like human resources and financial resources limits then we have to rely on selection aproach more flexible and adaptive to ocassions Media support at least an adequate Internet promotion lead to rising number of candidates applications But choice of the right candidate is the art we have to accept the fact 3 C concept Cost communication and concept itself may help in

improving our candidate selection process Internet ensures wide communication to candidates through social networks and Internet generally but is not enough when focusing our attention to candidates and their potential In order to ensure choosing the right one or at least to follow the rule not to choose the wrong candidate nor to exclude the right one Systematic approach ensures planned results and candidates choices so we have to be aware of the fact that further development and fo The Culture Code Cracking The HR Code For Success Ms. Janvi, Ms. Teena Chaudhary, Dr. Diwakar Chaudhary, 2024-06-16 The Culture Code Cracking The HR Code For Success Training & Development Practices Dr. J.D.Wadate & Dr. D.N.Khadse, Training and development T we would like to specially acknowledge contents of website www.wikipedia.com and various authors whose writings formed the basis for this book We acknowledge our thanks to them At the end we would like to say that there is always a room for improvement in whatever we do We would appreciate any suggestions regarding this study material from the readers so that the contents can be made more interesting and meaningful Readers can email their queries and doubts to our authors on tmcnagpur@gmail.com We shall be glad to help you immediately Dr J D Wadate Dr D N Khadse Authors **Strategic Human Resource Development : Concepts and Practices** Kesho Prasad, 2012 In today s corporate world employee management is first and the foremost concern of any organization An organization can easily churn out the best out of their employees by improvising the strategic development within the human resource norms This book comprehensively discusses the strategic management functions that are designed to meet the business objectives effectively This textbook explains the concepts of human resource management HRM and human resource development HRD and shows how they supplement and complement each other The book explicates how sourcing retention development compensation and performance are driven by the strategic business needs in an organization Divided into four parts the book explicates strategic developmental aspects of the people training and development vis vis organizational behaviour culture and leadership as well as primacy of technology in training as well as the concepts of human resource management and human resource development The special feature of this book is a chapter on Competency Mapping which is a tool to identify accurate skills for developing competency requirement within the employees
