Whitaker's Book List, 1991 James Herbert - The Authorised True Story 1943-2013 Craig Cabell, 2013-06-24 The legacy of a master of horror lives on in this fully authorized biography James Herbert was an enduringly popular author whose books sell in the hundreds of thousands across the world and are made into films He broke away from the cut and thrust populist horror novels of the 1970s and 1980s to create more thought provoking works featuring the scientific reasoning behind the manifestations of the ghosts and spirits in which he truly believed Yet despite his worldwide fan base surprisingly little is known about the man himself Before his recent death James Herbert granted his friend and confidant Craig Cabell more than a dozen exclusive candid interviews The result is an incredibly frank and revealing portrait of one of the giants of contemporary popular fiction shedding light on his personal demons that drove the boy from London's East End to become the preeminent horror writer of his generation Cabell shares personal correspondence and reminiscences including one of Herbert's previously unpublished pieces entitled To Ye All In addition to this James granted the author full access to his photographic archives making this a title that no James Herbert fan can be without

David Stirling Gavin Mortimer, 2022-05-26 Aristocrat gambler innovator and special forces legend the life of David Stirling should need no retelling His formation of the Special Air Service in the summer of 1941 led to a new form of warfare and Stirling is remembered as the father of special forces soldiering But was he really a military genius or in fact a shameless self publicist who manipulated people and the truth for his own ends In this gripping and controversial biography

Gavin Mortimer analyses Stirling's complex character the childhood speech impediment that shaped his formative years the pressure from his overbearing mother his fraught relationship with his brother Bill and the jealousy and inferiority he felt in the presence of his SAS second in command the cold blooded killer Paddy Mayne Stirling lived until old age receiving a knighthood and plaudits from military forces around the world before his death in 1990 Yet as Mortimer dazzlingly shows while Stirling was instrumental in selling the SAS to Churchill and senior officers it was Mayne who really carried the regiment in the early days Stirling was at best an incompetent soldier and at worst a foolhardy one who jeopardised his men's lives with careless talk and hare-brained missions Drawing on interviews with SAS veterans who fought with Stirling and men who worked with him on his post war projects and examining recently declassified governments files about Stirling's involvement in Aden Libya and GB75 Mortimer's riveting biography is incisive bold honest and written with his customary narrative panache Impeccably researched and with the courage to challenge the mythical SAS brand Mortimer brings to bear his unparalleled expertise as WW2's premier special forces historian to dig beneath the legend and reveal the real David Stirling a man who dared and deceived
