House of Commons - Education Committee: School partnerships and Cooperation - HC 269 Great Britain: Parliament: House of Commons: Education Committee, 2013-11-06 The Government wants schools to take more responsibility for themselves and each other in delivering a true self improving school system It wants schools to look not to local authorities for expertise but to each other We have no problem with that vision and think the wide range of models and structures already in place is a strength and proof of vitality We support moves to give schools more freedom to innovate but we argue that the creation of a self improving system needs a degree of coordination and strong incentives to encourage schools to look beyond their own school gate Otherwise there is a danger that many schools will operate in isolation rather than in cooperation Academy chains are generally performing well but raise particular questions and need specific solutions We recommend that it should be made clear how academies can leave chains either with or without mutual consent We also call for the Department for Education to monitor more effectively the extent to which convertor academies meet the expectation that they should support other

schools The report calls for amongst other recommendations that Ofsted to be given the powers to inspect academy chains and for Government to formalise procedures for schools to leave academy chains by mutual consent and to set out how an outstanding school can leave a chain against the wishes of the chain management Disha Combo (4 Books) 13 Years CBSE Class 12 Solved Physics, Chemistry, Mathematics & English Core Previous Year-wise Question Papers (2013 - 2025) 4th Edn | PYQs | 2026 CBSE Question Bank Class 12 , The latest updated 5th Edition of the books 13 Year CBSE Board Physics Chemistry Mathematics English Core Class 12 YEAR WISE Solved Papers 2013 2025 powered with Concept Notes is a must have book for aspirants who are looking for better score in CBSE exams The Books contain the Past 13 Years Authentic Solved papers of CBSE Board Class 12 including 1 set each of All India Delhi 2025 Exam In all the Books contain 25 Papers including the 2021 CBSE Sample Paper This paper has been included as this year the Board exams were cancelled The USP of the book is the inclusion of Concept Notes highlighting Tips Tricks Alternate solutions Points to Remember in various solutions The Notes will help the students in further revision of syllabus Trend Analysis of of last 6 Years is provided to understand Question trend Errorless Solutions with step by step marking scheme on the lines of CBSE Board and written in a way that any student can understand easily
