

## Reversing your phone

### Locating your land number

Because the number varies from a country to another, you will be required to use the correct number in each country to be able to call.

### Adjusting for number values

For example, in the U.S., an area code is added to your telephone number and the area code is added to the number. In other countries, the area code is added to the number and the number is added to the area code.
