Methods Of Suicideexecution Double Pack English Edition:

Suicide as a Dramatic Performance David Lester, 2017-07-05 Each suicide is as unique as the individuals involved especially if one examines the nature of the act and to what extent these acts can be viewed as a theatrical performance Focusing on the dramatic aspects of suicide may seem tangential to the physical and mental pain experienced by those who try to kill themselves but dramatic aspects often provide important clues for understanding the mental state of suicidal individuals David Lester and Steven Stack investigate what happens in the weeks days and hours before a suicide when the suicidal individual must make decisions and formulate the script for his or her suicidal act The editors argue that these choices may help us understand and prevent other suicides and stimulate new and innovative research in this important area Through twenty five substantive chapters including both quantitative and qualitative analyses this book offers insights into suicide as a dramatic act with chapters on the intended audience the suicide note the location and method chosen and cultural scripts including suicide by cop sati seppuku and duels The contributors to this volume argue that psychological social and cultural factors influence these choices and that the decisions made by the individual are important for understanding the mental state of the person choosing to die by suicide APC Essentials of Forensic Medicine and Toxicology Anil Aggrawal, Essentials of Forensic Medicine and Toxicology is an abridged version of the Textbook of Forensic Medicine and Toxicology The book comprises chapters on thanatology deaths from other causes forensic psychiatry forensic science corrosive poisons irritant poisons and poisons acting on the brain and spinal cord In addition the book consists of several diagrams and illustrations to help understand the concepts better This book is essential for forensic scientists *Old Sparky* Anthony Galvin, 2016-10-18 A shocking exploration of America s preferred method of capital punishment In early 2013 Robert Gleason became the latest victim of the electric chair a peculiarly American execution method Shouting P g m o t h in Kiss my ass in Gaelic he grinned as electricity shot through his system When the current was switched off his body slumped against the leather restraints and Gleason who had strangled two fellow inmates to ensure his execution was not postponed was dead The execution had gone flawlessly not a guaranteed result with the electric chair which has gone horrifically wrong on many occasions *Old Sparky* covers the history of capital punishment in America and the current wars between Edison and Westinghouse that led to the development of the electric chair It examines how the electric chair became the most popular method of execution in America before being superseded by lethal injection Famous executions are explored alongside quirky last meals and poignant last words The death penalty remains a hot topic of debate in America and *Old Sparky* does not shy away from that controversy Executions have gone spectacularly wrong with convicts being set alight or needing up to five jolts of electricity before dying There have been terrible miscarriages of justice and the death penalty has not been applied even handedly Historically African Americans the mentally challenged and poor defendants have been likely to get the chair an anomaly which led the Supreme Court to briefly suspend the death penalty Since the resumption of capital punishment in

1976 Texas alone has executed more than five hundred prisoners and death row is full Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Most Deserving of Death? Kenneth Williams,2016-04-15 The role of capital punishment in America has been criticised by those for and against the death penalty by the judiciary academics the media and by prison personnel This book demonstrates that it is the inconsistent and often incoherent jurisprudence of the United States Supreme Court which accounts for a system so lacking in public confidence Using case studies Kenneth Williams examines issues such as jury selection ineffective assistance of counsel the role of race and claims of innocence which affect the Court s decisions and how these decisions are played out in the lower courts often an inmate s last recourse before execution Discussing international treaties and their lack of impact on capital punishment in America this book has international appeal and makes an important contribution to legal scholarship It also provides a unique understanding of the dynamics of an alarmingly problematic system and will be valuable to those interested in human rights and criminal justice

Handbook of Death and Dying Clifton D. Bryant,2003-10 Dying is a social as well as physiological phenomenon Each society characterizes and consequently treats death and dying in its own individual ways ways that differ markedly These particular patterns of death and dying engender modal cultural responses and such institutionalized behavior has familiar economical educational religious and political implications The Handbook of Death and Dying takes stock of the vast literature in the field of thanatology arranging and synthesizing what has been an unwieldy body of knowledge into a concise yet comprehensive reference work This two volume handbook will provide direction and momentum to the study of death related behavior for many years to come Key Features More than 100 contributors representing authoritative expertise in a diverse array of disciplines Anthropology Family Studies History Law Medicine Mortuary Science Philosophy Psychology Social work Sociology Theology A distinguished editorial board of leading scholars and researchers in the field More than 100 definitive essays covering almost every dimension of death related behavior Comprehensive and inclusive exploring concepts and social patterns within the larger topical concern Journal article length essays that address topics with appropriate detail Multidisciplinary and cross cultural coverage
