Employment Screening and Non-Conviction Information Terry Thomas, Kevin Bennett, 2019-09-14 This book provides a critical overview of the policy frameworks underpinning the contemporary practices of non conviction information disclosure during pre employment screening It questions how a man can walk free from a criminal court as an innocent person only to have all the court details of his acquittal passed to any potential employer Despite several million enhanced criminal background checks being performed each year there has been little discussion of these issues within academic literature Non conviction information also known as police intelligence is a less well known check provided alongside the criminal record check This book seeks to define what is meant by non conviction information and to provide a clear and simple explanation of how this decision making process of police disclosure to employers is made It also considers the extent to which these practices have been subjected to legal challenges within the UK and explores how public protection is balanced against individual rights

Private Policing Mark Button, 2019-04-24 The second edition of Private Policing details the substantial involvement of private agents and organisations involved in policing beyond the public police It develops a taxonomy of policing and explores in depth each of the main categories examining the degree of privateness amongst several other issues The main categories include the public police hybrid policing such as state policing bodies specialised police forces and non governmental organisations voluntary policing and the private security industry This book explores how the public police and

many other state bodies have significant degrees of privateness from outright privatisation through to the serving of private interests The book provides a theoretical framework for private policing building upon the growing base of scholarship in this area Fully revised this new edition not only brings the old edition up to date with the substantial scholarship since 2002 but also provides more international context and several new chapters on corporate security management security officers and private investigation There is also a consideration of what the book calls the new private security industry working largely in cyber space Bringing together research from a wide range of projects the author has been involved with along with the growing body of private policing scholarship the book shows the substantial involvement of non public police bodies in policing and highlights a wide range of issues for debate and further research Private Policing is ideal reading for students of policing and security courses academics with an interest in private policing and security and practitioners from security and policing
