Quick Start Guide

New to PowerPoint? Use this guide to learn the basics.

PowerPoint

Create something

Begin with a **Blank Presentation** to get right to work. Or save yourself time by selecting a theme or template that resembles what you need. Select **File > New**, and then select or search for the theme or template you want.

Stay connected

Need to work on the go and across different devices? Select **File > Account** to sign in and access your recently used files anywhere, on any device, through seamless integration between Office, OneDrive, and SharePoint.

Find recent files

Whether you only work with files stored on your PC's local hard drive or you roam across various cloud services, selecting **File > Open** takes you to your recently used documents and any files that you may have pinned to your list.

Share your work with others

To invite others to view or edit your presentations in the cloud, select the **Share** button in the top right corner of the app window. In the **Share** pane that opens, you can get a sharing link or send invitations to the people you select.

Microsoft Powerpoint User Manual:

Microsoft PowerPoint for windows, 1990 *The New Windows Guide: A Smart User's Manual* Pasquale De Marco, 2025-05-15

In a world driven by technology Windows stands as the operating system of choice for millions of users worldwide. With its intuitive interface, powerful features, and vast ecosystem of applications, Windows empowers users to accomplish a wide range of tasks from basic computing to complex multimedia creation. *The New Windows Guide: A Smart User's Manual* is the ultimate companion for anyone seeking to master the art of using Windows. This comprehensive guidebook delves into the depths of Windows, providing a step-by-step roadmap to unlock its full potential. Written in a clear and engaging style, this book is suitable for both novice users seeking to build a solid foundation and experienced users looking to expand their skillset. From the fundamentals of navigating the user interface to advanced techniques for power users, this book covers it all. You'll learn how to customize your Windows experience, manage files and folders efficiently, and troubleshoot common issues like a pro. We'll also explore the world of networking and connectivity, showing you how to connect to Wi-Fi networks, share files and printers, and secure your network from unwanted intrusions. Furthermore, we delve into the realm of multimedia, providing step-by-step instructions for playing music and videos, editing photos and videos, creating presentations, and recording and editing audio. Whether you're a creative professional or simply enjoy expressing yourself through digital media, Windows has the tools you need to bring your ideas to life. For those seeking to delve deeper into the inner workings of Windows, we uncover the secrets of power user tools like Command Prompt, PowerShell, Task Manager, Registry Editor, and Performance Monitor. These tools provide granular control over your system, enabling you to customize it to your liking and troubleshoot even the most perplexing issues. Throughout the book, you'll find clear explanations, real-world examples, and practical tips that will help you master Windows and unlock its full potential. Whether you're a student, a professional, or simply someone who wants to get the most out of their computer, *The New Windows Guide* is the essential resource you need to succeed.
