Msbte Question Papers

David Baud

Msbte Question Papers:

Publisher's Monthly, 2004 Client Side Scripting Anuradha A. Puntambekar, 2020-12-01 JavaScript is an important scripting language for almost every modern web application It is simple for beginners but complex when you build a full scale application The book is extremely user friendly It assumes no programming experience and helps the students to learn the JavaScript in step by step manner with the help of illustrative examples The first two units cover the fundamental concepts of JavaScript such as variables operators control structures arrays functions and strings In the third unit the concept of form and event handling is discussed This feature of JavaScript help us to design the interactive web page with graphical user interface In the next subsequent chapter the book demonstrates how to create and manage cookies how to create browser history implementation of form validation with the help of regular expressions creating rollover effects and creating and handling frames At the end the book illustrates creation of banner management of status bar and creation of slideshows using JavaScript This book serves the purpose of teaching JavaScript in the simplest and easiest manner **C LANGUAGE**

FOUNDATION Textbook for BCA UG Course Dr. Madhav Motiram Bokare, Both novice and experienced programmers will gain from the lengthy exercise and multiple examples provided to walk readers through each idea The correct is shown by dissecting programme code step by step The application of C language constructs and their syntax as well as the underlying reasoning behind them The structure and clarity of the book s exposition make it a superb resource for all things C Each of these domains can be addressed by applications written in C and all C features required to write such applications are covered Because sophisticated data structuring concepts like enumeration types unions self referential structures and ragged arrays are covered this book is suitable for a data structures course
