Paper 1 Section B: Writing

- Paper 1
- Section B: Writing
- Marks: 40
- Time: 45 minutes

This question will appear as Section B on the paper. It will be labelled Question 5. Questions 1-4 are in the Section A: Reading part.

What the test involves:

Question 5: You will have to write a descriptive or narrative text which could be based on anything. The topic in the writing section will link to the text in the reading section. You will always be given two options but you must only choose **one** to write about. There will always be at least one picture and one written stimulus. You will then choose which question you want to answer. One question based on the picture and the other, the written stimulus. This could vary between a descriptive and a narrative, two descriptives or two narratives.

So basically the tasks will fall into any of these 5 categories:

- Descriptive writing with a visual image
- Descriptive writing without a visual image
- Narrative with a visual image
- Narrative – write the opening to a story
- Narrative – writing a complete story

Examples:

"Write a description suggested by this picture". (Picture stimulus)

"Write an opening part of a story about a place by the sea". (Written stimulus)

You could write your whole piece on what you see in the picture or just use it as a starting/midway or end point in your writing.

What questions are worth what marks?

Question 5

You must: Write in the correct tone and in detail. (Each chosen question has a separate mark scheme, please look at those.)
