Entrance Exam For Teagasc College:

The Vocational Education and Training System in Ireland ,2004 Nowhere in Europe has the rate of economic and social change been greater than in Ireland during the last decade To what extent have the education and training systems changed to meet the challenges of that change To what extent may they have been a factor which made that change and rapid development possible These are questions that this short survey cannot answer Its purpose is to outline the present structure of the vocational education and training system and to indicate the main trends in policy development It shows that there has been an enormous expansion of learning opportunities in Ireland This is reflected in much higher levels of educational attainment by young people The document describes briefly the efforts to create new qualifications systems so as to ensure that all learning whether formal informal or non formal and irrespective of whether it is specifically vocational or of a more general educational nature is recognised The adoption of a lifelong learning perspective has emphasised the importance of continuing vocational education and training and underlined the role of lifelong educational and vocational guidance *Díospóireachtaí Párlaiminte* Ireland.
