'the Real Scriptures' of God - New Testament James Platter,2012-09 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn t in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D

therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else s church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language The Real Scriptures edited by James Platter above a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas California in the United States but now rejects the reduced 1627 A D Version of the KJV Bible and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship Moss Vale N S W Australia under the Reverend Alan Catchpoole in 1973

Hidden Bible Taboos Forbidden By Organized Christianity James Slobodzien,2014-05-01 Have you ever wondered about the Mysteries of God s wisdom or the secret to knowledge Jesus condemned the religious leaders of his day for taking away the Key to Knowledge Luke 11 52 This remarkable article anthology may have accidentally uncovered some of these ancient mysteries that are now considered TABOO to help you to read and really understand the Bible Less Could the 7 Pillars or dimensions of Wisdom Pro 9 1 possibly be related to the Key to Knowledge Hidden Bible Taboos began as one short essay that just for fun proposed a 7 Dimension Theory of Everything but several readers encouraged me to continue researching it and I soon discovered that it is the nature of the Universe for things to exist in 7 s For example there are 7 types of Matter and 7 forms of Energy in the universe When we consider Time the 7 Day calendar week continues to be universal and immemorial in its observance among all nations and in all times Space our earthly physical space is divided up into 7 Continents 7 Oceans and 7 Seas After studying the multiple patterns of 7s in the universe s numerical DNA I turned my focus to ancient cultures and was shocked to find that in the ancient wisdom writings including Christianity the number 7 stands for spiritual perfection and divine completeness For example the Bible s book of Isaiah mentions the 7 Spirits of God the Father Isaiah 11 2 The Apostle John mentions the 7 Stars of God the Son Rev 1 20 and the Apostle Paul mentions the 7 Gifts of God the Holy Spirit Rom 12 6 8 In addition Zechariah mentions the 7 Eyes of the Lord which range throughout the earth Zech 4 10 This incredible phenomenon of multiples of 7 cannot be explained by chance or human design It is in these 7 Pillars of God s Wisdom that I have experienced a paradigm shift that has opened my eyes to see this divine tapestry to gain a better understanding of the Bible The 7 Dimension articles were written as independent brief essays over a period of 7 years After receiving comments from many readers over the years sometimes secretly a theme became apparent that seemed to be pointing to the fact that these divine truths of the 7 dimensional 7D biblical patterns of 7 were not being taught by the

professional religious leaders of Catholic and Protestant Churches because they were forbidden by custom or tradition They are TABOO This compilation of independent articles indirectly provides a historical overview of the ancient world that leads up to the time of Jesus and the Early Church and reveals some Taboos related to sex drugs violence and racism The majority of the Taboos in this book however are not related to ancient mysterious pagan practices The most significant Taboos in this book are coming from professional church leaders of organized religions of Christianity today who forbid their church members from knowing and practicing what is written in the New Testament and commanded by Jesus and his Apostles Hidden Bible Taboos is a collection of these 7D articles that have accidentally uncovered and systematically integrated ancient religious mythologies archeological mysteries scientific and historical facts and End Time prophecies to reveal the Christian Sun god conspiracy It is not a formal theological treatise on spirituality and or religion as it is a work in progress that is very very far from perfect With the above disclaimer to having and or knowing the absolute truth I would like to present what I believe to be the 7 dimension 7D origins of ancient religious knowledge and ageless wisdom that have been passed down to us by our ancestors So put on your 7D glasses Dedication This book is dedicated to Peter Waldo Founder of the Waldensians and the 50 million other Christians who were persecuted and slaughtered by the Organized Religion of Christianity Papacy in the middle ages and later Spiritual Religious Reading Material Warning The contents of this article anthology may shock and inspire you into developing your spiritual life Don t let yourself or your friends go without reading this life changing book

Fallen Angels Sarah Coleman,AI,2025-02-27 Fallen Angels explores the captivating stories of angels who defied divine authority examining their profound influence on religious history theology and culture This exploration delves into the Judeo Christian tradition revealing how these narratives have shaped our understanding of good and evil free will and the challenges to established power Interestingly interpretations of fallen angels have evolved significantly with some traditions viewing their rebellion as driven by pride and lust while others see it as a quest for knowledge or justice The book uniquely analyzes these narratives as evolving cultural products rather than focusing on the literal existence of fallen angels Beginning with an introduction to angels in religious tradition the study progresses through key texts like the Book of Enoch and the Old and New Testaments Major sections examine the varying motivations attributed to these angels different interpretations of their punishment and the evolving representations in art literature and popular culture Ultimately Fallen Angels reveals how these stories reflect humanity s ongoing struggle with moral ambiguity and the complexities of faith
