Erotic Fine Art Vol 5 The Hotel Room:

Sex, Science and Morality in China Joanna McMillan, 2014-07-30 After decades of near silence on the matter sex is being talked about in China But what is being said Who is allowed to speak And whose purposes are being served This groundbreaking book takes a critical look at how sex in China is thought and talked about Drawing on the work of the country's foremost sex experts and years of research in the field it gives an overview of the sexual landscape in China today Including new material on transsexuals fetishism sex aids and pornography the book shows that the dominant ways of thinking about sex are neither innocent nor inconsequential and that amid catalogues of prescriptions linking self management to the collective good people are making decisions about how to live their sexual lives The most lively and accessible critique of sexual discourse this book will be essential reading for scholars in Chinese studies cultural studies and sexuality and gender studies

Art and Obscenity Kerstin Mey, 2006-11-22 Explicit material is more widely available in the internet age than ever before yet the concept of obscenity remains as difficult to pin down as it is to approach without bias notions of what is obscene shift with societies shifting mores and our responses to explicit or disturbing material can be highly subjective In this intelligent and sensitive book Kerstin Mey grapples with the work of twentieth century artists practising at the edges of acceptability from Hans Bellmer through to Nobuyoshi Araki from Robert Mapplethorpe to Annie Sprinkle and from Hermann Nitsch to Paul McCarthy Mey refuses sweeping statements and knee jerk responses arguing with dexterity that some works regardless of their high art context remain deeply problematic whilst others are both groundbreaking and liberating
