Erotic Travel Tales Mitzi Szereto, Written to satisfy wanderlust or arouse it Erotic Travel Tales offers explicit erotic fiction set in evocative locales from Kiev and the Sahara to Athens and the Amazon from Barcelona and Paris to New Orleans and San Francisco Having an affair could be likened to having a holiday a refreshing break from the habitual a sensual reawakening to new possibilities But losing yourself in these tales of erotic travel is like having an affair and a holiday simultaneously The joy of sex and the pleasures of the text rolled into one Reading doesn't come any better The Erotic Review London *Erotic Tales of the Knights Templar in the Holy Land* Jay Starre, 2007 **Erotic Tales of the Knights Templar** Jay Starre, 2007 Jay Starre offers up a raunchy non stop feast of lusty medieval adventures in his latest book Erotic Tales of the Knights Templar contains 20 tales of nasty knights as they battle and debauch their way through the Latin Kingdom of the 13th century Holy Land entwined with a back story of bondage respect discipline and servitude Sizzling with hot gay eroticism **The Knights Templar** Michael Kerrigan, 2023-04-27 The Knights Templar tells the stories of the major and minor military orders from the 11th century to the present day Organised chronologically the book follows the fates of orders from the foundation of the Knights of St Peter in 1053 exploring how the military and religious aspects of the orders were reconciled and their impact The Knights Templar in the New World William F. Mann, 2004-03-03 Uses the principles of sacred geometry archaeological evidence and Native American legend to discover the site of a secret Templar settlement in Nova Scotia Offers evidence that Scottish prince Henry Sinclair not only sailed to the New World 100 years before Columbus but that he also established a refuge there for the Templars fleeing persecution Shows that the Grail the holy bloodline connecting the House of David to the Merovingian dynasty through Jesus and Mary Magdalene was hidden in the New World In 1398 almost 100 years before Columbus arrived in the New World the Scottish prince Henry Sinclair Earl of Orkney sailed to what is today Nova Scotia where his presence was recorded by Micmac Indian legends about Glooskap This was the same Prince Henry Sinclair who offered refuge to the Knights Templar fleeing the persecution unleashed against the order by French king Philip the Fair at the beginning of the 14th century With evidence from archaeological sites indigenous legend and sacred geometry handed down by the Templar order to the Freemasons author William F Mann has now rediscovered the site of the settlement established by Sinclair and his Templar followers in the New World Here they found a safe refuge for the Grail the holy bloodline connecting the House of David to the Merovingian Dynasty through the descendants of Jesus and Mary Magdalene until the British exiled all the Acadians in 1755 *The Crusades and the Far-Right in the Twenty-First Century* Charlotte Gauthier, 2024-09-04 Engaging the Crusades is a series of concise volumes up to 50 000 words which offer initial windows into the ways in which the crusades have been used in the last two centuries demonstrating that the memory of the crusades is an important and emerging subject Together these studies suggest that the memory of the crusades in the modern period is a productive exciting and much needed area of investigation This volume

explores how crusading rhetoric iconography and historiography have been purposed by far right nationalist and related groups in the recent past through case studies as varied as Brenton Tarrant who killed 51 people at a mosque and Islamic centre in New Zealand in March 2019 a modern American military order that uses memes to recruit members and spread its ideology and the bestselling video game Assassin's Creed As nationalist and far right ideologies have gained adherents in Europe and the Americas understanding how ideologues have misused the crusading past for their own ends is more important than ever The Crusades and the Far Right in the Twenty First Century is useful for all students and scholars interested in the intersection between the history of the crusades and far right ideology in the modern age **Reference**

Bodies Gillian Bennett, 2009-09-18 Because they are so often told as news contemporary legends force us to reevaluate life as we know it They confront us with macabre fantastic horrific or hilarious characters and events that seem to come straight out of myths and folktales but are presented as present day events The difficulty is that it is not at all easy to decide whether these often disturbing stories should be treated as reliable or dismissed as fantasy The legends explored in this book are some of the most bizarre gruesome and politically sensitive stories in the contemporary legend canon At any moment a body may be invaded by noxious creatures deliberately infected with deadly disease or raided to provide donor organs for sick foreigners These are winter s tales the stuff of nightmares In this book Gillian Bennett traces the cultural history of six legends well known in Europe and America from medieval times to the present day Appearing in broadsides ballads myths ancient and modern legends novels plays films television shows and stories told in the oral tradition these legends are not just silly tales which can be dismissed as trivial and untrue They reveal much about the concerns and fears of everyday life and demonstrate the limits of knowledge and power in the modern world
