Interpreting Literature With Children Shelby A. Wolf, 2014-04-04 Clearly organized and beautifully written Interpreting Literature With Children is a remarkable book that stands on the edge of two textbook genres the survey of literature text and the literary criticism text Neither approach however says enough about how children respond to literature in everyday classroom situations That is the mission of this book It begins by providing a solid foundation in both approaches and then examines multiple ways of developing children's literary interpretation through talk through culture class and gender as well as through creative modes of expression including writing the visual arts and drama The result is a balanced resource for teachers who want to deepen their understanding of literature and literary engagement Because of its modest length and price and its ongoing focus on how to increase student engagement with literature either pre service or practicing teachers can use this text in children's literature language arts or literacy and language courses

Moment to Monument Ladina Bezzola Lambert, Andrea Ochsner, 2015-07-15 Why do certain works of art make it into the canon while others just enjoy a brief moment of recognition if at all How do moments produce monuments and why are monuments erased from our cultural memory in only a moment Taking into account these cultural processes of creating storing remembering and forgetting that are omnipresent and have an immense influence on how we perceive artefacts and cultural events the articles in this collection analyze the phenomenon of cultural production transmission and reception from

various angles drawing on approaches from both literary and cultural studies With its transdisciplinary approach this book uniquely responds to an everyday cultural phenomenon that so far has not received such wide ranging attention
