place We will show you how to navigate Windows correctly and efficiently Where specific types of files should be stored We ll also show you how best to name and manage your files such as using descriptive folders to identify files implementing the best naming conventions for files and directories and how to group various types of data together ensuring that the data you need is always readily available Finally we ll introduce you to some of the best options for transporting and protecting your data We will show you the skills you need to easily manage your data using clear and simple English without the confusing technical jargon All this and more can be accomplished with File Management Made Simple by your side **The Motor**

**Heading Home** Shani Orgad,2019-01-08 Women in today s advanced capitalist societies are encouraged to lean in The media and government champion women s empowerment In a cultural climate where women can seemingly have it all why do so many successful professional women lawyers financial managers teachers engineers and others give up their careers after having children and become stay at home mothers How do they feel about their decision and what do their stories tell us about contemporary society Heading Home reveals the stark gap between the promise of gender equality and women s experience of continued injustice Shani Orgad draws on in depth personal and profoundly ambivalent interviews with highly educated London women who left paid employment to take care of their children while their husbands continued to work in high powered jobs Despite identifying the structural forces that maintain gender inequality these women still struggle to articulate their decisions outside the narrow cultural ideals that devalue motherhood and individualize success and failure Orgad juxtaposes these stories with media and policy depictions of women work and family detailing how even as their experiences fly in the face of fantasies of work life balance and marriage as an egalitarian partnership these women continue to interpret and judge themselves according to the ideals that are failing them Rather than calling for women to transform their feelings and behavior Heading Home argues that we must unmute and amplify women s desire disappointment and rage and demand social infrastructure that will bring about long overdue equality both at work and at home
