Fred And Frank Comics:

The Greatest Comic Book of All Time Bart Beaty, Benjamin Woo, 2016-04-27 Bart Beaty and Benjamin Woo work to historicize why it is that certain works or creators have come to define the notion of a quality comic book while other works and creators have been left at the fringes of critical analysis

Cartoonists, Works, and Characters in the United States through 2005 John Lent, 2006-04-30 This penultimate work in John Lent's series of bibliographies on comic art gathers together an astounding array of citations on American cartoonists and their work. Author John Lent has used all manner of methods to gather the citations: searching library and online databases, contacting scholars and other professionals attending conferences and festivals, and scanning hundreds of periodicals. He has gone to great length to categorize the citations in an easy-to-use scholarly fashion and in the process has helped to establish the field of comic art as an important part of social science and humanities research. The ten volumes in this series covering all regions of the world constitute the largest printed bibliography of comic art in the world and serve as the beacon guiding the burgeoning fields of animation, comics, and cartooning. They are the definitive works on comic art research and are exhaustive in their inclusiveness, covering all types of publications: academic, trade, popular, fan, etc., from all over the world. Also included in these books are citations to systematically researched academic exercises as well as more ephemeral sources such as fanzines, press articles, and fugitive materials: conference papers, unpublished documents, etc., attesting to Lent's belief that all pieces of information are vital in a new field of study such as comic art.

Marvel Comics, Vol. 1 , Television Variety Shows David M. Inman, 2014-12-03 For the few hundred television viewers in 1946 a special treat on the broadcast schedule was the variety show called *Hour Glass*. It was the first TV program to go beyond talking heads, cooking demonstrations, and sporting events, featuring instead dancers, comics, singers, and long commercials for its sponsor, Chase and Sanborn coffee. Within two years another variety show, *Texaco Star Theatre*, became the first true television hit and would be credited with the sales of thousands of television sets. The variety show formula was a staple of television in its first 30 years, in part because it lent itself to a medium where everything had to be live and preferably inside a studio. Most of the early television stars, including Jackie Gleason, Milton Berle, Sid Caesar, Ed Sullivan, Red Skelton, Dinah Shore, and Arthur Godfrey, rose to prominence through weekly variety shows. In the 1960s major stars such as Jerry Lewis, Dean Martin, Judy Garland, and Danny Kaye were hosting variety shows. By the 1970s the format was giving way to sitcoms and dramas, but pop music stars Sonny and Cher, Tony Orlando and Dawn, and Donny and Marie Osmond hosted some of the last of the species. This book details 57 variety shows from the 1940s through the 1990s. A history of each show is first provided, followed by a brief look at each episode, air date, guest stars, sketches performed, and a listing of songs featured are included.
