

Readers' Guide

After you have read the Reader, answer the following questions:

1. Identify words with connotative meanings and think about your personal response to that language/meaning.
How does the author's language influence your reading of the author's message? Does the author's language suggest a particular response to his or her message?
2. Why does the author communicate a particular point to a particular audience at a particular time? How does this choice of personalization affect the author's purpose for writing?
"I was surprised (surprised?) surprised that I found a common purpose." How does the author communicate a particular point to a particular audience at a particular time? How does the author communicate a particular point to a particular audience at a particular time?
3. How does the author communicate a particular point to a particular audience at a particular time? How does the author communicate a particular point to a particular audience at a particular time?
"I was surprised (surprised?) surprised that I found a common purpose." How does the author communicate a particular point to a particular audience at a particular time?
4. How does the author communicate a particular point to a particular audience at a particular time? How does the author communicate a particular point to a particular audience at a particular time?
"I was surprised (surprised?) surprised that I found a common purpose." How does the author communicate a particular point to a particular audience at a particular time?
5. How does the author communicate a particular point to a particular audience at a particular time? How does the author communicate a particular point to a particular audience at a particular time?
"I was surprised (surprised?) surprised that I found a common purpose." How does the author communicate a particular point to a particular audience at a particular time?
6. How does the author communicate a particular point to a particular audience at a particular time? How does the author communicate a particular point to a particular audience at a particular time?
"I was surprised (surprised?) surprised that I found a common purpose." How does the author communicate a particular point to a particular audience at a particular time?
7. How does the author communicate a particular point to a particular audience at a particular time? How does the author communicate a particular point to a particular audience at a particular time?
"I was surprised (surprised?) surprised that I found a common purpose." How does the author communicate a particular point to a particular audience at a particular time?
8. How does the author communicate a particular point to a particular audience at a particular time? How does the author communicate a particular point to a particular audience at a particular time?
