Palm of the Rainforest Ikénnà Nn?l?, 2020-08-28 I know who I am Kelvin seemed desperate to win his father's approval However Mr Eze not only seemed unwilling to bestow it but hell bent in making life unbearable for his acclaimed son Kelvin thought it would be best to find his true family rather than endure the torture of being the unwanted child He realised that his quest for recognition was unlikely to succeed so he set his eyes on freedom In the meantime Kelvin expected that a good academic performance would change his luck and put him right with Mr Eze or at least boost his confidence in his abilities With all his attention on his studies competing for the best grades against the leading brains in his class especially Christian an indomitable rival he would not let school romance get in the way of his goal But slowly and steadily Chioma gained his trust and won him over He would have to make a decision between holding on to his moral principle or satisfying his human desire for friendship New Home New Identity Marginalised and decimated the Biafran people were forced to go to war and secede from Nigeria But decades after losing the war and embracing the Nigerian identity they are still not treated as equal citizens in their home country As a new wave of terrorism sweeps the northern parts of the country the Biafran people predominantly Igbo are again decimated as they have been for decades in every crisis and this led to renewed discussions about their independence For Biafra the fight for equality was over and their Sovereignty was not negotiable For Kelvin it wasn't very different and so his quest for truth and independence must begin His compulsory holiday in Igbo land would expose him to the truth that might have indirectly caused him to abandon his academic pursuit Perhaps it was just an excuse to free himself from the clutch of Mr Eze and begin his quest for the truth about his identity *Mathematics Today*, 1996

Your Professional Qualification, 2002 What is the difference between an academic and professional qualification Who should get a professional qualification Did you know that some professions can not be legally practised with a degree alone Why get a UK qualification Is it expensive to gain a British qualification What is a chartered institute or society and is it better than a non chartered body What is the difference between a professional body and a trade union These are all questions answered in this book which is designed to help individuals choose a career path and the right professional organisation In today's world it isn't enough to have a qualification you need to be able to meet with peers and use the valuable networks that are already in place to foster your profession Your Professional Qualification provides a comprehensive survey of the qualifications available in the UK along with guidance on where they lead entry requirements where to apply and where to study Derived from the vast and authoritative British Qualifications database this important publication provides the first easily accessible guide to qualifications and how to get them in the UK Built around a comprehensive directory of professional qualifying bodies each professional area is described in depth and its qualifications identified and explained The book is supported by a simple website which ensures purchasers of the book are kept up to speed with new developments **Further Mathematics Tests Preparing for Selective Schools and Scholarship**
