In this career I partnered with organizations such as the Ghana Aids Commission, The World Vision and The United State Agency for International Development. I have really come into a lot of contact with children and students and education. My passion is to teach in the high schools. This book YES I CAN is designed to help the high school students in their academic career and social life so they can become scholars and achievers in future. It shows how students can become personal in their studies by having their own timetable strategies on how to learn effectively, means of using their time, planning their future career and destiny and other social issues relevant to their well being.
